

JOHN JAY 1959

Dear KATHY,
Hi - I might as well start off with this last year at the time. I know I'll never forget all those carnivals we went to the one and those fell over neck? that also Buddy was really stuffed animal I know you He almost broke Bedford Hills. He was really a riot! I still for me - member? - I know you He still have cause I've seen it - right? He

that guy won a summer don't get together this be
still have yours cute! last - summer will really be
was really! we did my mother enjoyed your I'll

BORE! like even my mother spice
a summer and crazy I see your some
company - Next her time to make me them.
have to I don't still know crazy what I'm going to
cupcakes - I ran out of Listerine last night - I
do - I know I'll never forget all those
Feel so funny without it?? Badminton (won) was really
times we played when it was down and he took
great. (Especially bad cause came up ride. Then when
with Ann - too he picked a up and they in
when we picked us for a ride. Tere were sitting in
me back seat (cont)

well Liz.
you didn't do so bad
either in the way of people
writing in your yearbook.
it is good to see you
back after reoperating from your
operation. I think you hold the record
for the person being absent the most
this year. The only reason that you came
back is probably so you can go to the carnival
this week. I remember last year after your
parade you had to get some money off your
mother 'cause I didn't have any (as usual)
Thinking back to the beginning of this year
it all seems pretty funny, going together for
a week and than breaking up. (and they told me)
and than going back again. Ann was picky)
if it wasn't anything else it was fun
trying to stay ahead of you (which I never
I agree we have had some good times such as
the night I came up and the only thing in the house
that was fast was the clock, and that night at
Piro's when I got thrown out. Last year at this time
I was writing something a little bit
different in your yearbook. Oh thanks
for the last line "despite all
your faults" that really
touched me deeply.
Hope to see
you soon.
(I'm sure you
will)

don't worry about
e believing Carol for
just the other day she said
un I think Terry's looking to
fast you'd better watch out for
the worst" and since I've
crossed her off my list.

Tell Sam thanks a lot for writing
I sent her three letters and got one
back. The carnivals are coming up so
you'd better by a new pair of sneakers
so you can chase all the boys around
(that one is for your comment about all my faults)
I wish you the Best
of Every thing Kathy
Terry Robert

P.S. I come I haven't
seen your father at
Fritz's lately & and don't
take my idiomatic brother seriously

THE SENIOR CLASS

PRESENTS

JOHN JAY 1959

JOHN JAY HIGH SCHOOL

Cross River, N. Y.

The class of 1959 is proud to present its yearbook to the students and faculty of John Jay High School and to the members of the community. In this yearbook we have spotlighted the events, the routines, the successes and the failures of our life at school.

Since it is impossible to produce a complete portrait of the activity in an educational system as large and complex as ours, we have centered the scope of our book on a theme which underlies each venture—the spirit of John Jay High School.

Using this as a basis, we have included the expressions of our enthusiasm which have made our school term a distinctive and memorable period of our lives. The wonderful crowd at the rainy Brewster game . . . the successful movement to support the basketball team . . . the school-wide backing of the initiation of senior privileges . . . Nino's easy adjustment to our school life . . . the fast-moving lunch-time free for-alls in the gym . . . the final realization of the Teen Canteen . . . the welcome sight of the new John Jay jackets . . . all of these put a refreshing and lively touch to everyday school life.

In addition to showing the things which are personal to each student, we have included the emotions, the drives, the moods and the ideas which are natural, intangible elements in our school.

ALONE ON THE CAMPUS

There is something relaxing about John Jay in the early evening in all its emptiness. The corridors in the half light seem wide and welcoming. There is a simple, uncluttered beauty in the buildings that is missed in the rush of school life.

Your footsteps echo down the hall, and somehow they're no longer yours, but those of countless other students from past years hurrying to their classes, their friends, their activities. Though the

people are gone, their spirit still lingers in the darkened classrooms and silent walkways.

Free now from the sound and frustration of the school day, you are able to feel the peace from being a part of John Jay. You will look back and think of the fun and the confusion of classes and activities, but you will always remember with an odd feeling of humility, the sense of being in perfect accord with your surroundings.

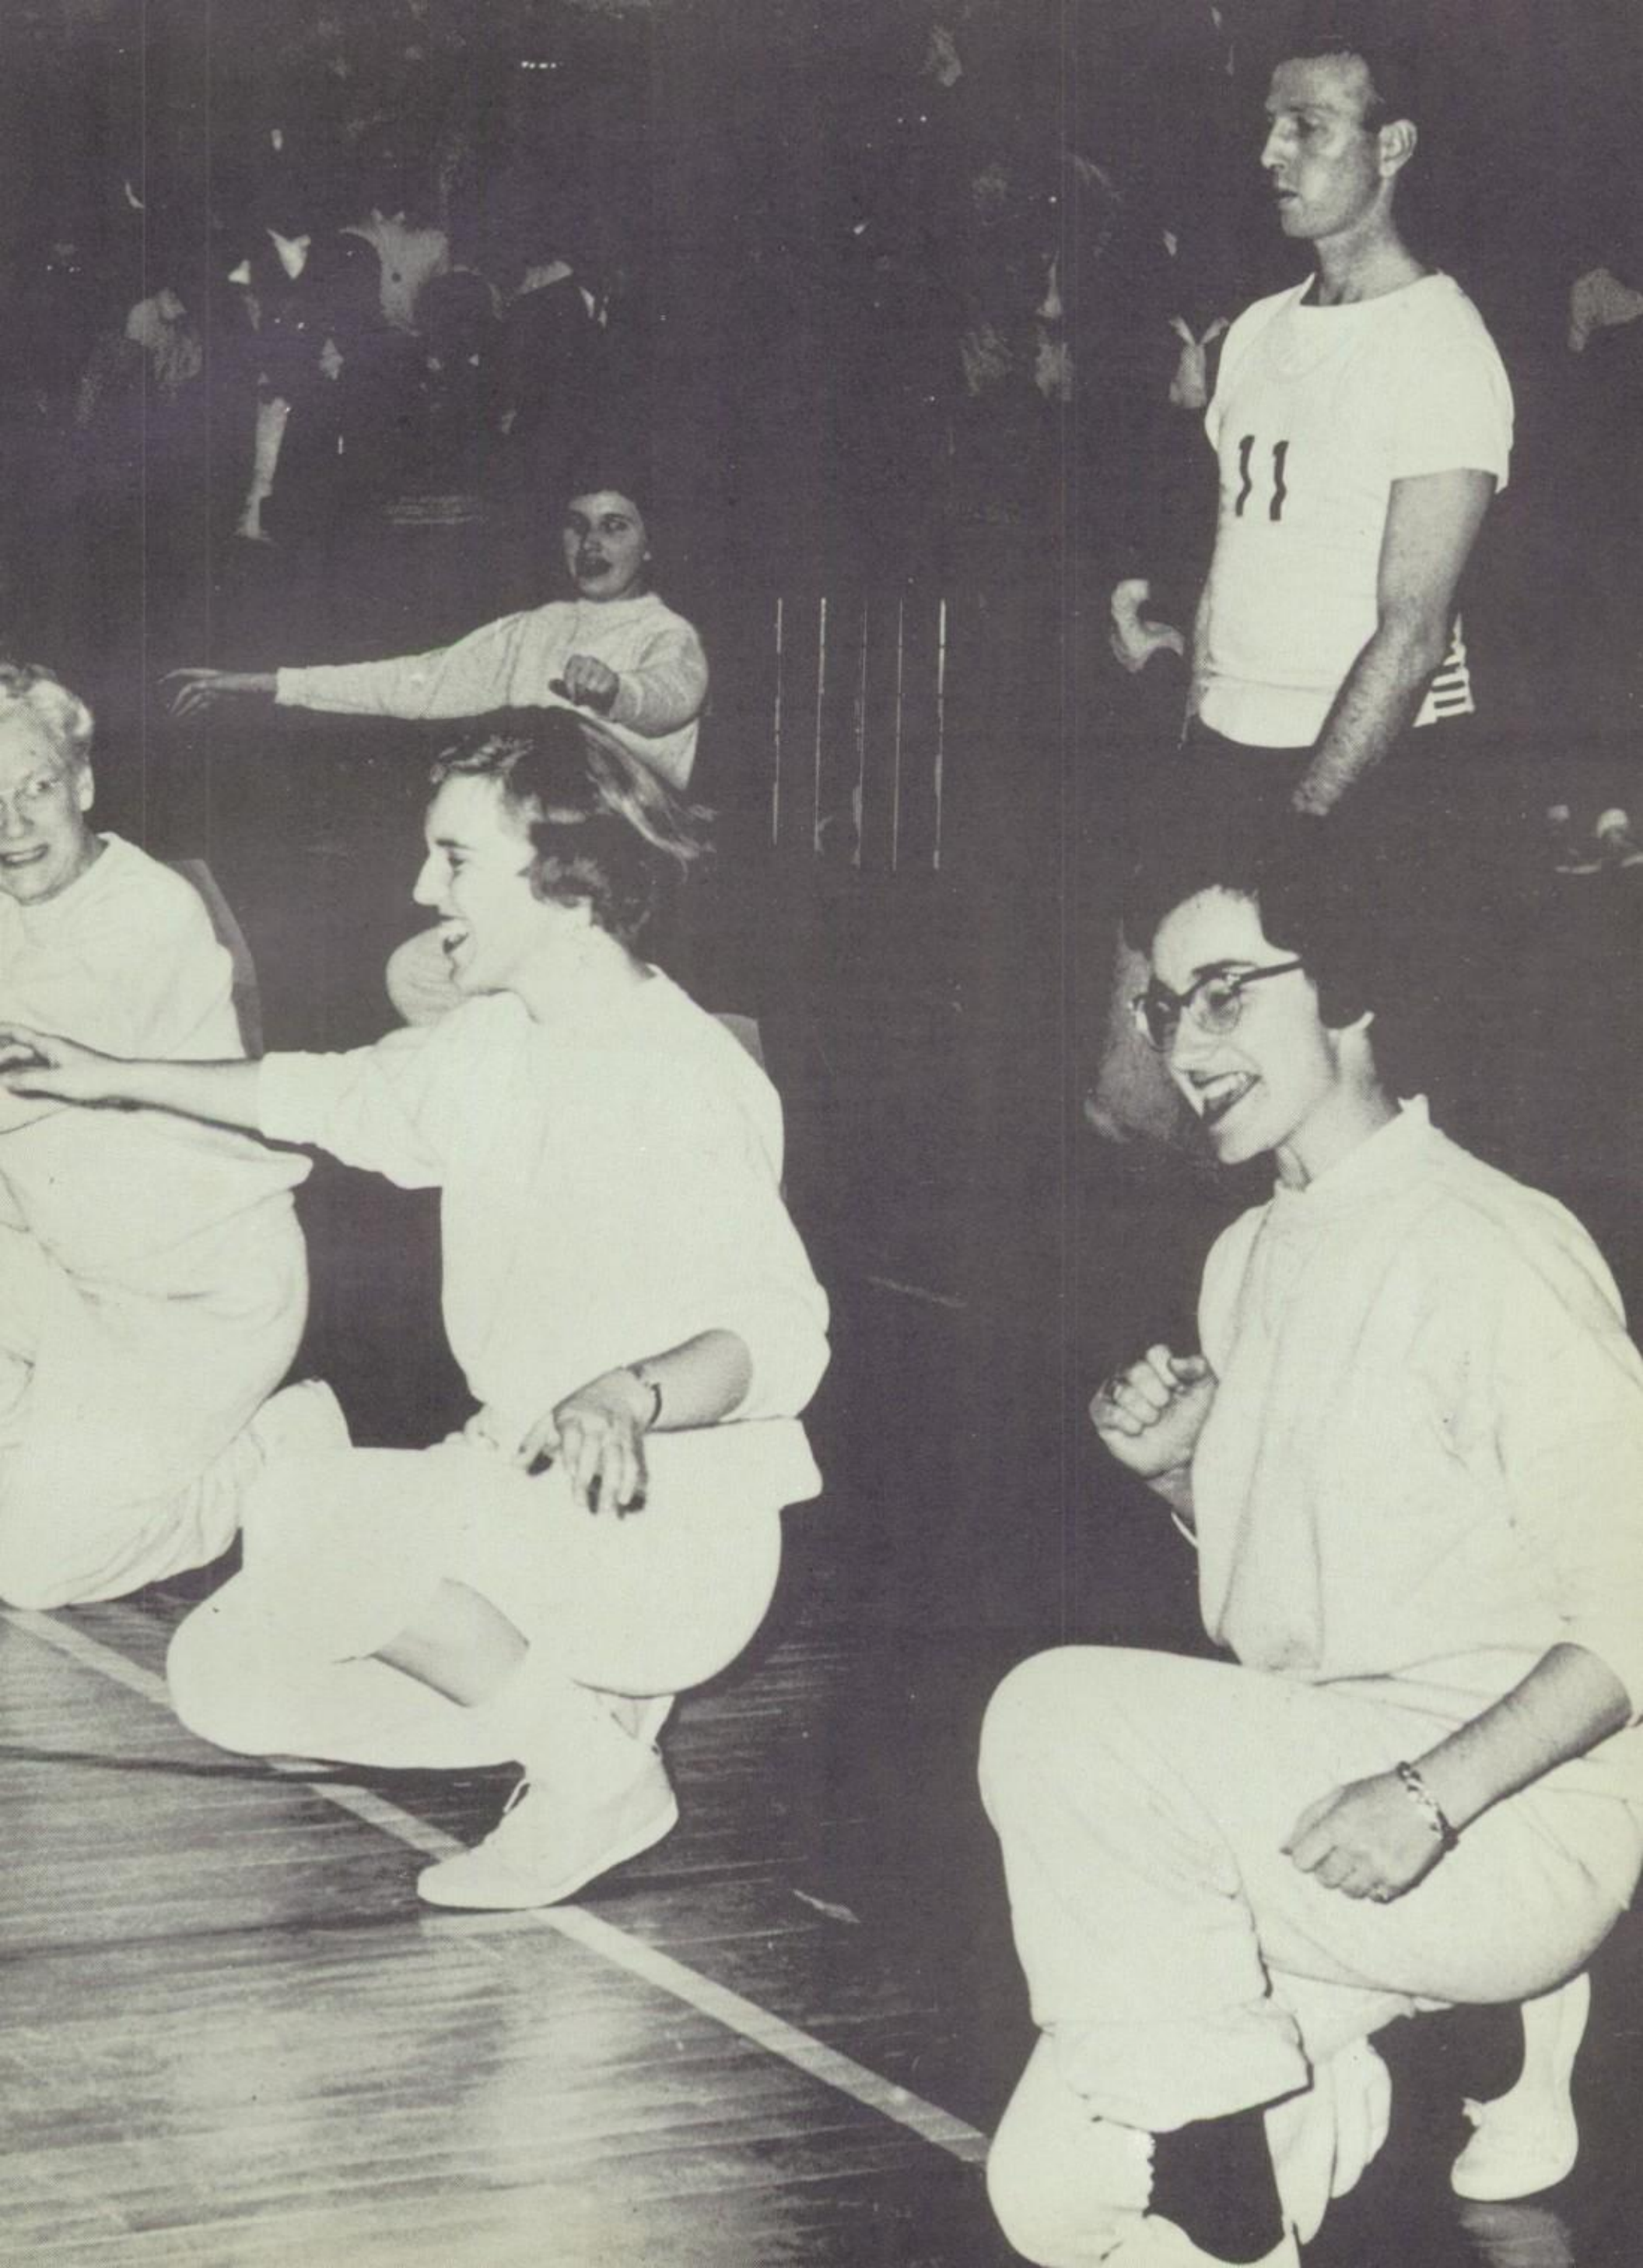

STAFF

The spirit of teaching at John Jay is a strong force that contributes greatly to the interest with which the subjects are both taught and learned. The fine teacher keeps well-informed about the latest advances and discoveries in his field in order to be well-equipped to teach his subject. Due to the small size of the classes, the teacher has an opportunity to become personally interested in the individual student.

As a person who takes an active part in the school community, the John Jay teacher keeps up with local issues and understands the environment in which he teaches. Our faculty spends a great deal of its time sponsoring and advising our student government (both in classes and the Student Council), our publications, our sports, and our other clubs and activities.

The John Jay teacher experiences a sense of satisfaction as he sees the members of his class begin to grasp a subject, draw their own conclusions and establish their own views.

Erwin K. Hasseltine

Mr. Erwin K. Hasseltine, our school Principal, directly supervises the operation of the educational facilities at John Jay. Having been the Principal of John Jay for the last three years, and of Katonah High for many years before, Mr. Hasseltine is well versed in the elements of school life and the business of running a school. Among his many duties is one of prime importance—the evaluation of individual students in cooperation with the Guidance Department—a service which enables colleges to fairly judge applicants from John Jay.

Mrs. Anita Owen, secretary to the Principal, Mrs. Tillie Martens and Mrs. Frances Canero, typists, finish the day's business in the front office of the administration building.

THE SCHEDULE OF LEARNING

Charles T. Helmes

Mr. Charles T. Helmes, our District Principal, is the superintendent of all the schools in our district and the chief executive of the Board of Education. As an open-minded and understanding administrator, he is universally respected by the students at John Jay. Mr. Helmes always has time to spend a few minutes discussing college problems with a senior. Many times, his interest causes him to take an active part in helping a prospective college student toward his objectives. Well acquainted with the educational feelings of the community, Mr. Helmes works with the Board of Education in planning new policies and hiring new teachers.

Mrs. Marion Cobb, secretary to the District Principal, and Mrs. Rhoda Leonard, Account Clerk, work on curriculum reports and accounts in Mr. Helmes' office.

LINK WITH THE COMMUNITY

Mr. Russel D. Loucks, Mr. Allan A. Coster, Dr. C. R. Wise, Mr. Richard Perry, and Mr. Helmes discuss district educational business at a Tuesday Board meeting.

The Board of Education of the Katonah-Lewisboro School District is elected every four years by the voters of our community. As a result of this year's election, Mr. Russel D. Loucks became a new member of the Board.

The Board of Education is responsible for the educational facilities of our district. It approves the hiring of new John Jay teachers, the yearly school budget, and the institution of new educational policies.

Last year, the Board decided that John Jay should seek a national accreditation in addition to N.Y.S. Regents certification. During March of this year we underwent the evaluation, a service which has resulted in an increased awareness of both the good and bad attributes of our school.

Mr. Coster, Dr. Wise, the Board President, and Mr. Perry confer on topics concerning our district schools.

AN EYE ON OUR FUTURE

Dr. George A. Favareau

Dr. Favareau, the head of the John Jay Guidance Department, spends a great deal of time discussing colleges and careers with the members of the junior and senior classes. Dedicated to the futures of all John Jay students, he understandingly reminds us to file our applications for College Board Examinations, scholarships, and college admissions. He supervises the examination of prospective scholarship holders and prepares the literature necessary to keep us up to date on careers and college conditions. Furthermore, Dr. Favareau cooperates with the administration and faculty in drawing up schedules. For the past few years he has assisted BOCES in holding the College Conference at John Jay. Although he is sure to show us what we have done wrong, Dr. Favareau is a well-liked and respected friend of the student body.

M. Elliot Noyes

As the junior high school Guidance Counselor, Mr. Noyes helps plan the junior high academic programs and discusses educational problems with both students and parents. He takes a personal interest in junior high affairs by sponsoring its Student Council and assembly program. Since he was previously an English teacher at John Jay, Mr. Noyes has brought a thorough knowledge of the junior high educational situation to our growing Guidance Department.

Margaret Hotaling

For the past two years Miss Hotaling has been a member of the Guidance staff at John Jay. As a counselor to the freshman and sophomore classes, she arranges individual visits with the BOCES center and goes over the results with the students. The work of planning separate programs takes up a large part of her time. Miss Hotaling has become a valuable individual in our competent Guidance Department.

Catherine Gillette

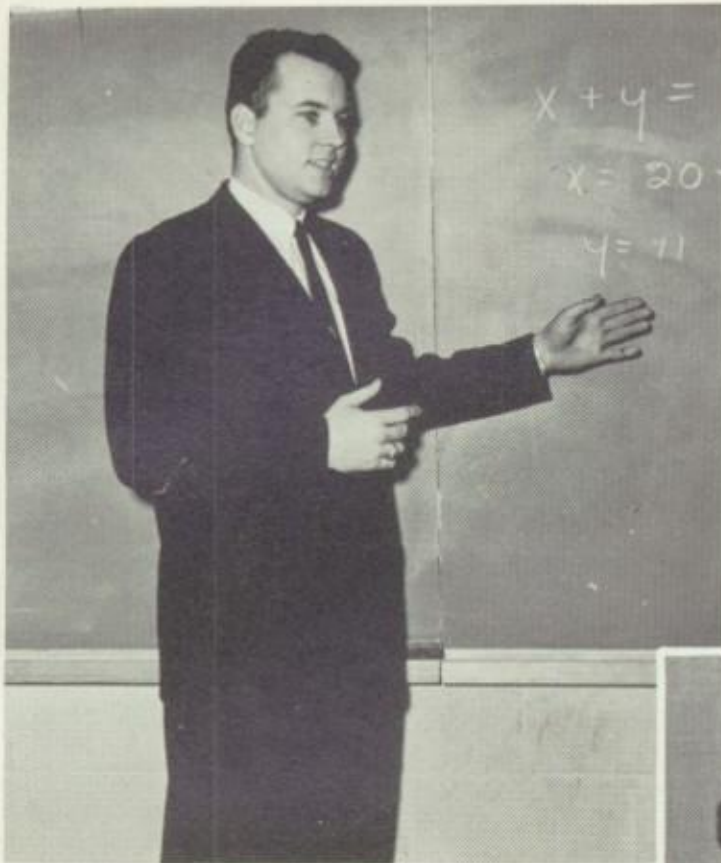

Miss Gillette, our school nurse, supervises the general health conditions at John Jay. During each morning that school is in session, she may be seen in the administration building checking attendance with Mr. Hasseltine. As a full-time Resident Nurse, Miss Gillette is always on hand should injury or sickness hit John Jay students. In addition, she arranges eye, ear and physical examinations for Dr. Smith, and she makes frequent health and sanitary inspections of the campus.

Dr. William Smith

Dr. Smith, our friendly school physician, assists Miss Gillette in performing the services necessary to the general health of the student body — including periodical physical examinations.

BARBARA A. SMITH
B.A. Marywood College

Miss Smith teaches the eighth grade math classes at John Jay. In addition to her academic interests, she especially likes to ski for recreation.

ALBERT WITTE

B.S. Manhattan College

Mr. Witte teaches several classes of junior high school mathematics. His interests in sports and stamp collecting occupy much of his spare time.

ARTHUR W. GOUDEY

B.A. Wesleyan University
M.A. Fairfield University

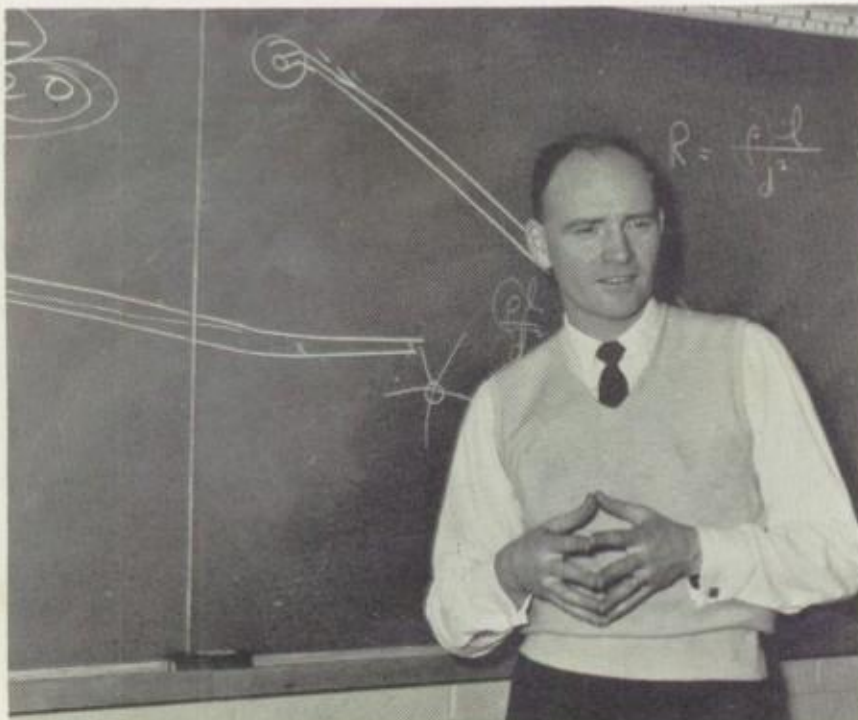

Mr. Goudey is a mathematics instructor and a sophomore class advisor. Flying, hunting, and collecting guns number among his personal interests.

THE LOGIC OF NUMBERS

JOHN GEDDES

B.S. St. Lawrence University

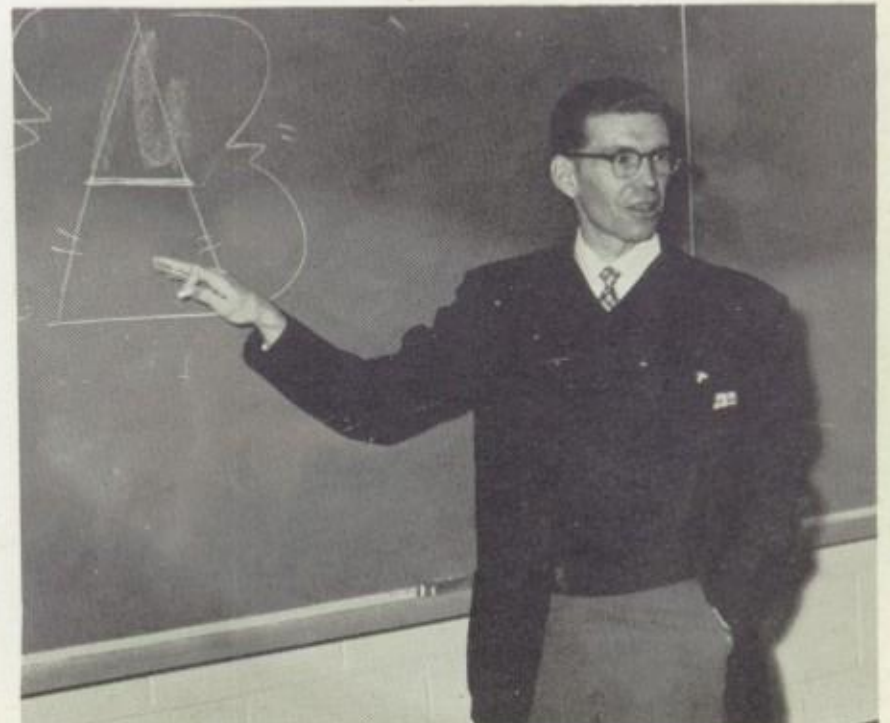

Mr. Geddes is a teacher of eleventh and twelfth year math and physics and is a Junior Class advisor. He is interested in woodworking, music and playing the guitar.

BRAINARD W. GIBSON

B.S. University of South Carolina

Mr. Gibson teaches tenth year mathematics. He coaches the Varsity and J. V. track and field teams and is interested in many sports.

ARMANDO
HENRIQUEZ, JR.

B.A. Erskine College
M.A. George Peabody
College for Teachers

Mr. Henriquez is the English teacher for the sophomore classes and is an enthusiastic Senior Class advisor. His interests lie in public speaking, choir work, writing and reading.

BEATRICE ROWAN MILLER

B.A. Columbia University
M.A. Columbia University

Mrs. Miller is the instructor of English in the seventh grade. She likes to rummage through second-hand stores in search of books, and she enjoys swimming, hiking and reading.

HELEN M. CALLENIUS

B.A. Albany State Teacher's College
M.A. Cornell University

Miss Callenius teaches the Latin courses in high school. She is interested in theater-going, sewing, and reading.

ALLEN BACHRACH

B.A. Yale University

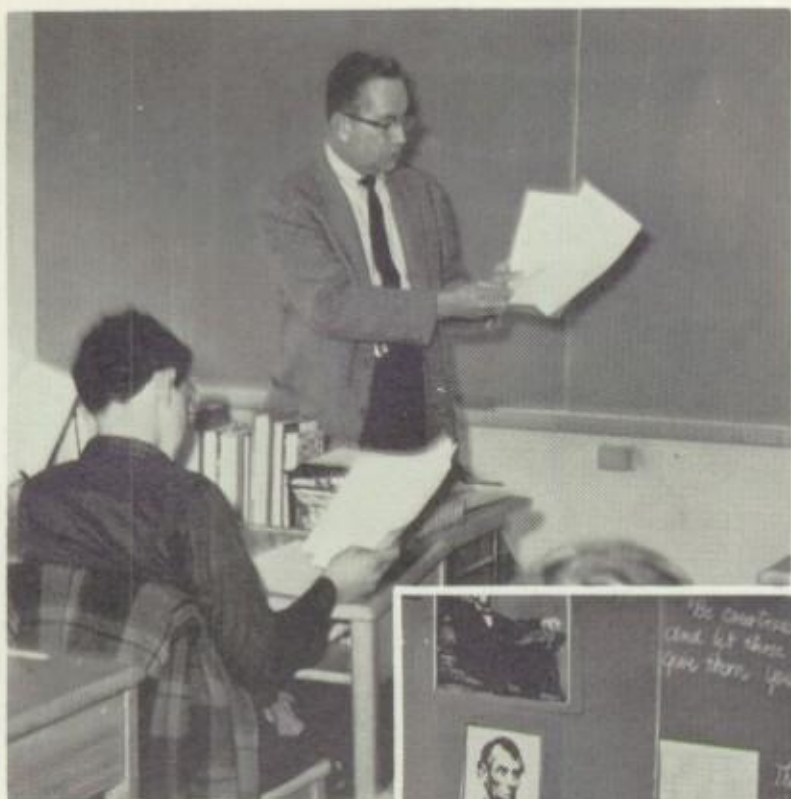

During school Mr. Bachrach teaches Remedial English and freshman and sophomore English classes. In addition, he advises the Purple Patch staff. Reading, traveling, and listening to music are among his major interests.

JO ANN SAVAGE

B.A. Wilson College

Miss Savage teaches English III. She devotes much time to music, literature, writing and the social sciences. She also enjoys singing in the South Salem Presbyterian Church choir.

BALDWIN SMITH

B.F.A. Syracuse University
M.A. New York University

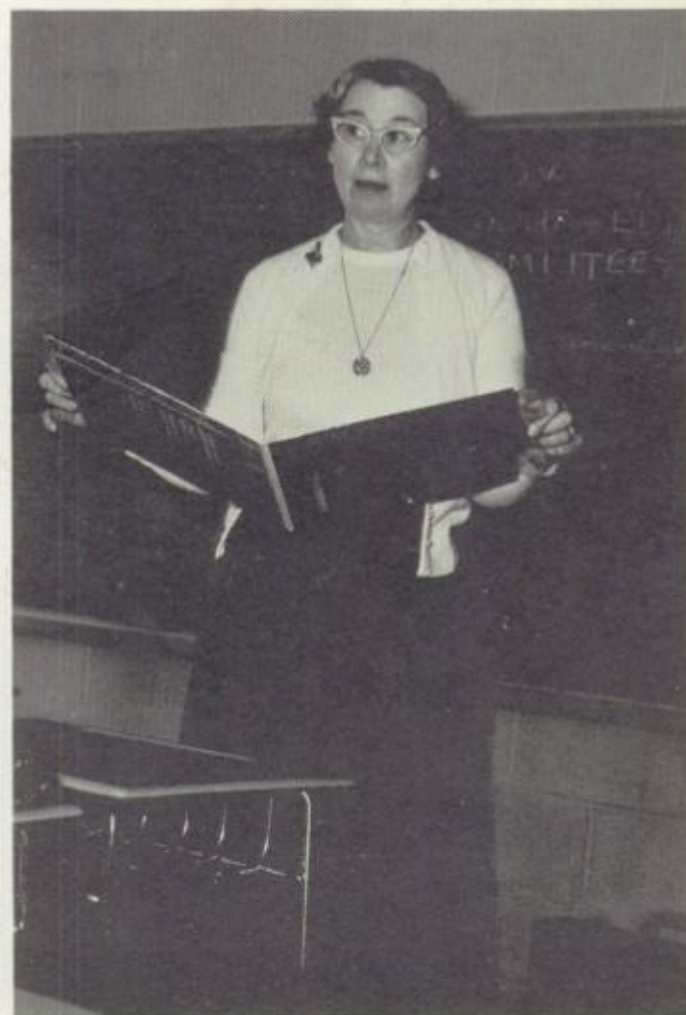

Mr. Smith teaches several freshman English classes. His time-consuming extracurricular activity is the Senior Play. His other interests include jewelry-making, drama and art.

HELEN WAGNER

B.S. New York University
M.A. New York University

Mrs. Wagner teaches junior high school English. Her major interest is music—including going to concerts and playing the piano.

ISABEL SHECHNER

B.S. University of Illinois
M.A. University of Illinois

Mrs. Shechner teaches four classes of senior English and one class in reading skills. She is a Senior Class advisor. Gardening, sports and traveling are her special interests.

THE ACCENT ON WORDS

AUDREY L. COMMERFORD

B.S. University of Minnesota

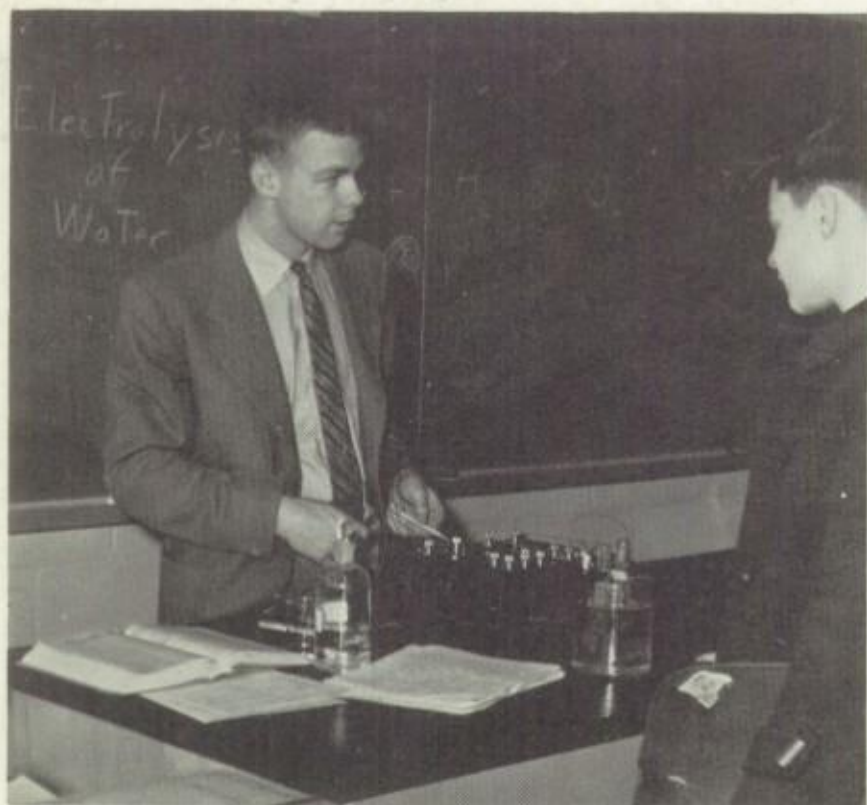

Mrs. Commerford serves as the John Jay librarian. Besides sewing, she enjoys such pastimes as cooking, painting, reading and playing bridge.

GEORGIANA BUDD

A.B. Albany State Teachers' College
McGill University
L'Alliance Francaise

Miss Budd teaches all of the French classes for the high school. She particularly likes to travel abroad and swim.

WILLIAM SPEARE
B.A. Bucknell University

Mr. Speare teaches General Science to the ninth grade. He is interested in all outdoor activities and sports, and he likes movies and good books.

DOUGLAS MacDOUGALL

M.S. New York State Teachers College

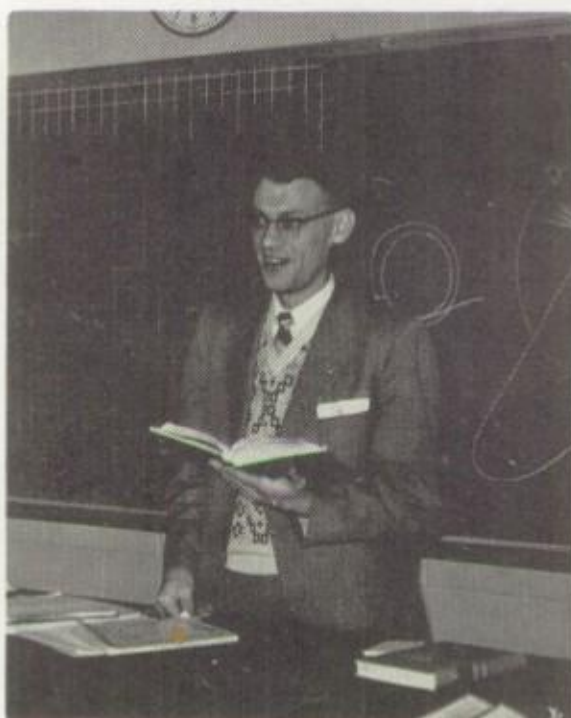

"Doc" MacDougall teaches Chemistry and General Science. He has sponsored the Student Council in past years, and he likes to collect Meissen China and antique clocks.

FROM EXPERIMENT TO CONCLUSION

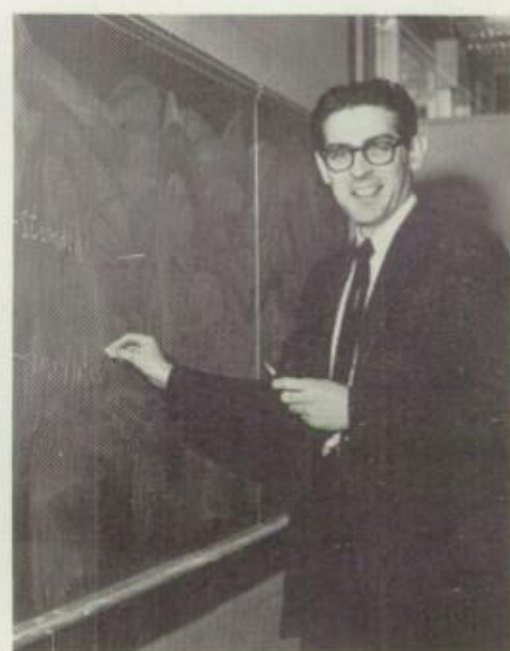

JOSEPH J. LAWLER
B.S. Furman University
M.A. Teachers College,
Columbia University

Mr. Lawler teaches biology and sponsors the Student Council, Key Club and junior high intramurals. He is a terrific boating enthusiast and a booster of J.J. athletic teams.

ROBERT G. SWANSON
B.A. Cornell College
O.D., B.S. Northern Illinois College
of Optometry

Mr. Swanson not only teaches seventh grade General Science, but he also coaches the J.V. football and basketball squads. His spare time is taken up with sports, reading and the Air Force Reserve.

JAMES F. FISHER
B.A. Iowa State Teachers College
M.Ed. University of Illinois

Mr. Fisher teaches the eighth grade General Science courses. Reading and theater-going are the most important of his personal hobbies.

RUTH LEE

B.A. George Peabody College
M.A. George Peabody College

Miss Lee teaches Citizenship Education in the ninth grade and is a Sophomore Class advisor. She likes to dance, travel, read, participate in and watch sports.

ANTHONY SPORBORG

B.A. Middlebury College
M.A. New York University

Mr. Sporborg is an instructor of eleventh grade American history. Cabinet-making as a hobby takes up much of his spare time.

ERNEST VINCENT KANZLER

B.A. Lafayette College
M.A. Columbia University Teacher's College

Mr. Kanzler instructs four classes in Problems of Democracy and one Advanced Placement History class. He is an advisor to the Herald Tribune Youth Forum and is interested in sports and reading.

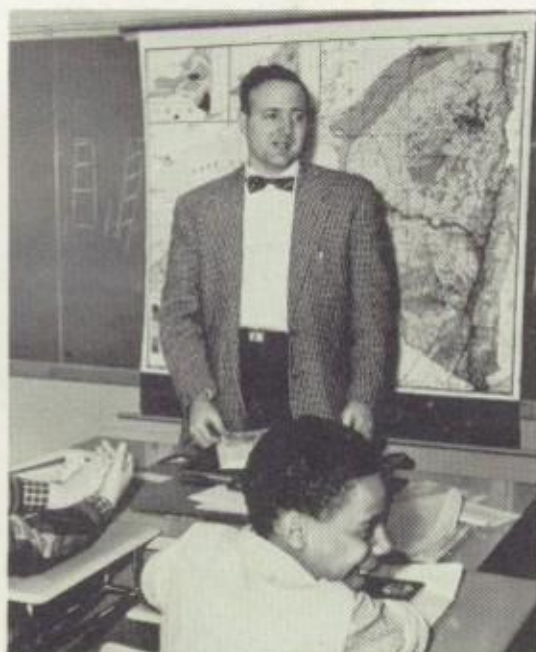

THE BACKGROUNDS OF SOCIETY

You've been quite the struggler, but good luck on all your exams
DW Feener

DANN CHAMBERLIN

B.A. North Central College

Mr. Chamberlin instructs the eighth grade Citizenship Education classes and takes part in the activities of the Junior High Assembly Committee. His hobby is photographing and studying covered bridges.

RICHARD WERNER

B.A. Queens College
M.A. University of Connecticut

Mr. Werner teaches seventh grade social studies. Sports, reading and do-it-yourself carpentry occupy much of his time after school.

DONALD W. FEENER

B.S. Springfield College
M.Ed. Springfield College

Mr. Feener teaches all of the World History Courses. He coaches the football line and the J.V. baseball team. His time consuming interest is sports.

SONIA LANMAN

M.A. St. Petersburg Conservatory,
Russia
B.A. University of St. Petersburg, Russia
M.A. New York University

Mrs. Lanman teaches junior high General Music and Choir, and works with the students in dramatics. She enjoys playing tennis, traveling and going to the theater.

WALTER FINLAYSON

B.S. Ithaca College
M.A. Columbia University

Mr. Finlayson leads the junior and senior high Band and Chorus, and instructs the instrumental classes. He has done a wonderful job with the John Jay Dance Band, which he has organized and developed.

KATHERINE A. COURREGES

B.F.A. Syracuse University
M.A. Columbia University

Miss Courreges teaches four years of Art, and Mechanical Drawing I and II. Advising the Yearbook, and creating the staging for the Senior Play were her extracurricular activities this year.

THE CREATION OF HARMONY

JOHN MILLER

B.S. New York University

Mr. Miller's classes are the junior high school art courses. He also teaches Adult Education oil painting classes. Drawing, painting, and sculpturing are among his spare-time activities.

DAVID GARVIN

Yale School of Music
New York University

Mr. Garvin teaches the Orchestra, Music III, and string classes during school. Playing ensemble music is his special interest.

ALAN BRAMSON

B.S. Julliard School of Music
M.A. Teacher's College,
Columbia University

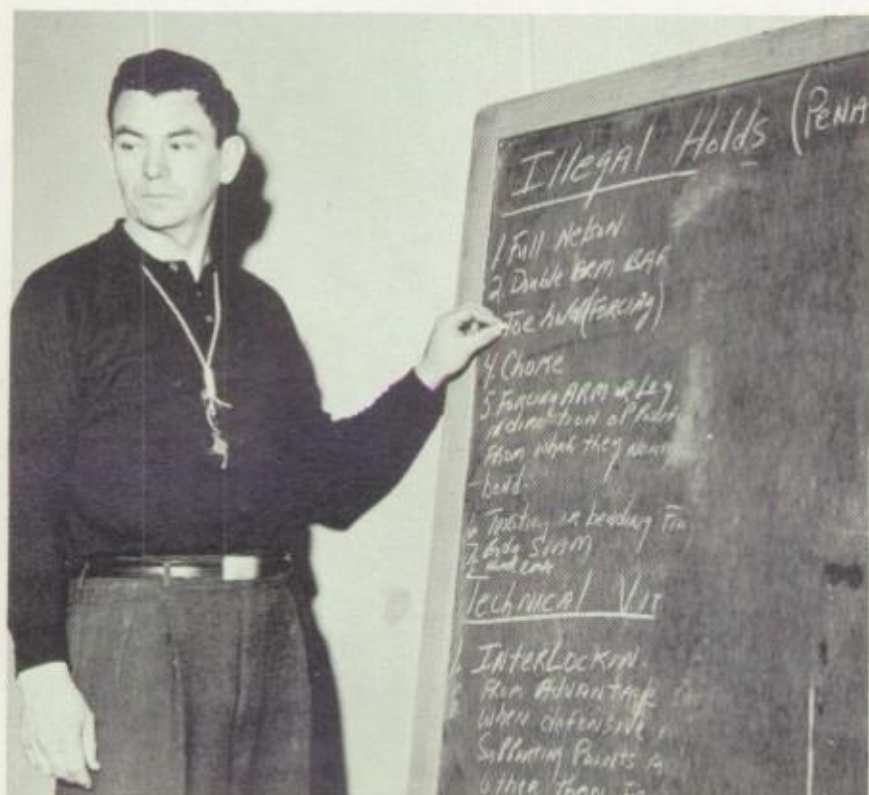

Mr. Bramson instructs the junior and senior high Band, the Music Literature I Class, the Marching Band, and instrumental ensembles. Playing chamber music is his special interest.

ROBERT BOISSY

B.S. Springfield College
M.S. University of Illinois

Mr. Boissy teaches junior high health and physical education classes. He coaches Varsity soccer and Varsity basketball. Among his hobbies are badminton, swimming, golf and landscaping.

MARTIN TODD

B.S. Arnold College
M.A. New York University

Coach Todd teaches the boys physical education. After school hours he drills the football and baseball teams. The Faculty Band, golf, and hiking occupy his spare time.

THE INCENTIVE TO COMPETE

MARION L. DUNGHI

B.S. Ed. Tufts University

Miss Dunghi is the girls' junior high school physical education teacher. She sponsors the girls' intramural activities. Her special interests include skiing and traveling.

DORIS L. BRYAN

B.A. New York University
M.A. New York University

Miss Bryan is the high school girls' physical education instructor. Her extracurricular activities embrace all senior high girls' sports. She likes to travel and listen to music, and she is an avid photography fan.

THE PRACTICAL APPROACH

BEVERLY COVEY

B.S. University of Maine

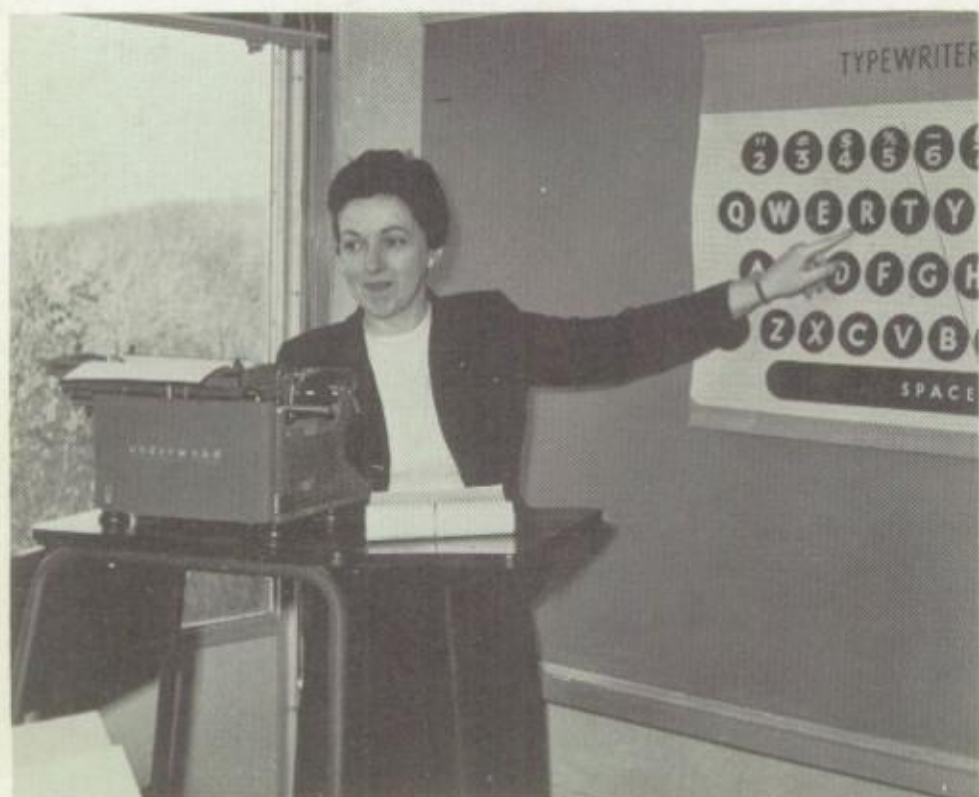

Mrs. Covey instructs junior high and high school girls in foods, nutrition, and general home economics. She coaches the J.V. and Varsity cheerleaders in her extra time, and she enjoys cooking and participating in sports.

FRANK P. CUCCIA

B.S. Oswego State Teachers College
M.A. New York University

Mr. Cuccia teaches the industrial arts and driver education courses in high school. He sponsors the Radio Club and the Projectionist Club, and he is interested in music, photography and sports.

CLAIRE H. WARD

B.S. Good Counsel College
M.S. Fordham University

Miss Ward's classes include the shorthand and type-writing courses. She enjoys traveling and going to the theater in her extra time.

ANN FIELD

B.S. University of Wisconsin

Miss Field instructs the junior high homemaking, clothing, and family relations classes in school. She assists with the Junior Red Cross, and is principally interested in swimming and traveling.

DONALD MULLANEY

A.A.S. Westchester Community College
B.S. New York University
M.A. Hunter College

Mr. Mullaney teaches junior-senior high school industrial arts. He advises the Junior Hot Rod and Shop Clubs, and likes to invent things—among them his famed scooter.

Mr. Quinn, Supervisor of Buildings, Grounds, and Transportation, files some business papers in his office.

Custodians Mr. Gagnier and Mr. Mederos take a break in a busy day.

ATTENTION TO OUR NEEDS

The housekeeping staff at John Jay is at work day and night maintaining the school plant at its proper efficiency. Supervised by Mr. Quinn, our custodians keep the corridors and rooms clean by constant vacuuming, polishing and waxing.

We are also indebted to the bus drivers who bring us back and forth from school every day and are on hand for transportation after activities and athletic events.

The cafeteria staff is the third de-

partment at John Jay which is necessary for the running of the school. Under the direction of Miss Hunter, the cafeteria staff prepares daily lunches for three meal shifts.

Mrs. Dillman, Mrs. Gedney, Mrs. Anderson, Mrs. Goppe, Mrs. Mazza, and Mrs. Salvio (absent) form the cafeteria staff.

SENIORS

Each year becomes busier in the life of the John Jay student. By the time his senior term arrives, the pupil is fairly well accustomed to a hurried school day.

With eighty-four members in our class, there is much opportunity to expand, to attempt new things, and to uphold the traditions of John Jay High School. The preparation of the underclass years is aimed at the strong class program which has been the responsibility for the seniors to organize and carry out.

Under the leadership of Fred Free, our president, the class of 1959 accomplished its undertakings with great success. Our Senior Ball, "Winter Wonderland," followed tradition and was one of the biggest dances of the year. The Senior Play, *Death Takes a Holiday*, acted by thirteen seniors and supported by the entire class, was a well-acted, mature performance.

The class meetings, the focal point of all senior class activity, tried to follow parliamentary procedure to the letter, though it sometimes seemed a waste of time and talk. Looking back, however, at the progress made during the year, the manner in which these meetings were conducted was both necessary and proper for the success of class projects.

Other things contributed to make the senior year a special experience for us. We took college boards in the winter time. The accompanying rush of filling out applications, getting recommendations and securing interviews continued until mid-spring.

Finally, at the end of April a slowing-down period occurred—an interval filled with the "last times" which made graduation seem very near and very real. The last basketball game . . . the last school assembly . . . the last Senior Class meeting . . . the last trip to *Ciro's* were experiences which we as seniors will remember as important parts of our life at John Jay.

ANGELA M. ARENA

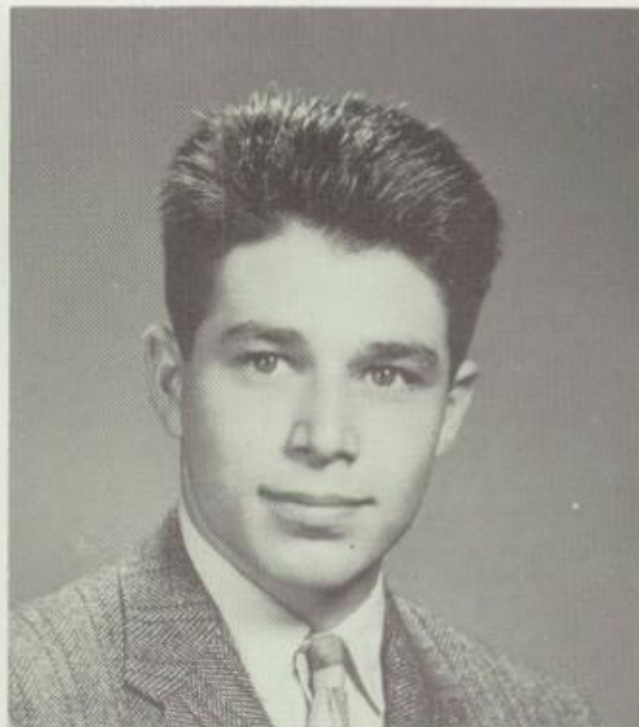

Angela is an energetic participant in girls' sports . . . horseshoe champ in class tournament . . . J.V. cheerleader for two years . . . John Jay Chorus member for three years . . . served the school as a Library Aide . . . belonged to the Drama Club in her freshman year . . . enjoyed Dancing Club as a sophomore . . . Refreshment Chairman for the Junior Jive . . . worked on Junior Prom and the Senior Ball committees . . . bright red hair . . . an infectious laugh . . . sensible.

JAMES ARENA

Jimmy played J.V. football for two years . . . enthusiastic member of the Auto Club and Aeronautics Club during his freshman year . . . worked on the Junior Prom and Senior Ball Decorations Committees . . . In his senior year he contributed much of his spare time to various outside organizations . . . Volunteer fireman in Katonah . . . likes to hunt and trap game . . . a practical, outdoor man.

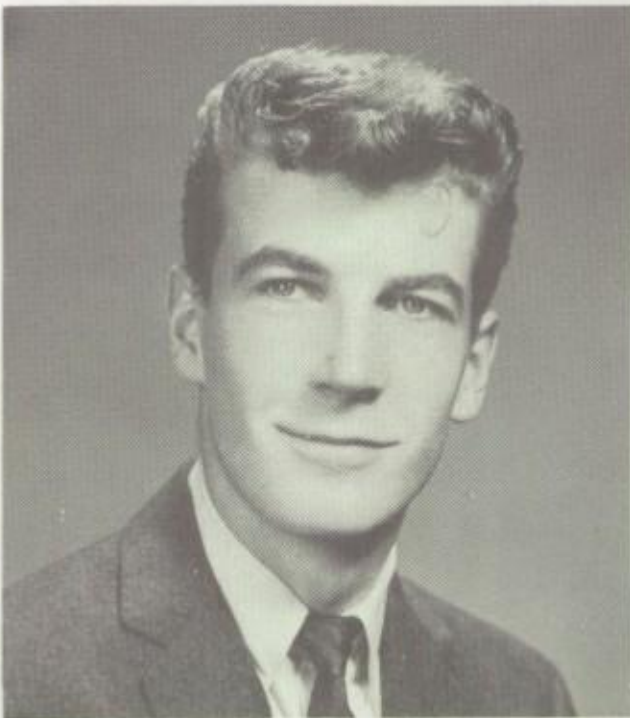

PATRICIA ANN AMRHEIN

Pat earned an athletic award in each of her four years . . . took an active part in the girls' sports intramural program, participating in sports each year: hockey, basketball, softball, and archery . . . served on committees for the Junior Prom, Senior Ball and other dances . . . four years as a John Jay chorister . . . loves swimming, bowling, and ice skating . . . After completion of high school she plans to prepare for elementary school teaching . . . a sweet smile . . . feminine.

DONALD BENISH

Don belonged to the Auto, Dramatics, and Tumbling Clubs in his freshman year at Katonah . . . divided his athletic interests between basketball and golf . . . At John Jay he joined the wrestling teams in his sophomore and junior years . . . member of the Decoration Committee for the Ball and Prom . . . played on the golf team and the Varsity football team . . . interested in outdoor recreation . . . avid hunting and fishing enthusiast . . . hardworking regular in the Golden Bridge Fire Department . . . reserved.

ROBERT BARKER

At Bedford Hills Bill worked on the General Organization as a homeroom representative in his freshman year . . . honored by the School Honor Society . . . awarded the Bronze Medal for highest marks . . . At Fox Lane High School he was elected the Vice-President of his sophomore class . . . aided the Sophomore Hop Committee . . . came to John Jay for junior and senior years . . . earned money after school for his college education at the First National Store in Mount Kisco . . . a sports car enthusiast . . . enjoys many sports from football to hunting . . . casual . . . easy-going.

LINDA JEANNE BECKER

Linda is a fashion representative to B. Altman's Junior Board . . . took part in the Christmas play . . . a nimble fingered baton twirler in the Band . . . aide in the library . . . chosen to be a member of the Key Club . . . member of the Purple Patch and Yearbook staff . . . worked on the Senior Ball and the Junior Prom . . . actively participated in the girls' sports program . . . became archery and horseshoe champion during class tournament play . . . enjoys music . . . a ready smile . . . spirited . . . responsible.

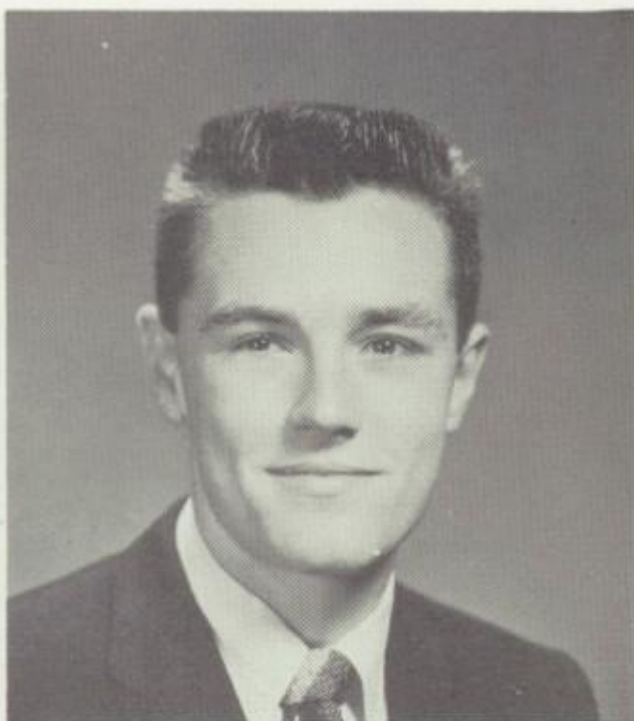

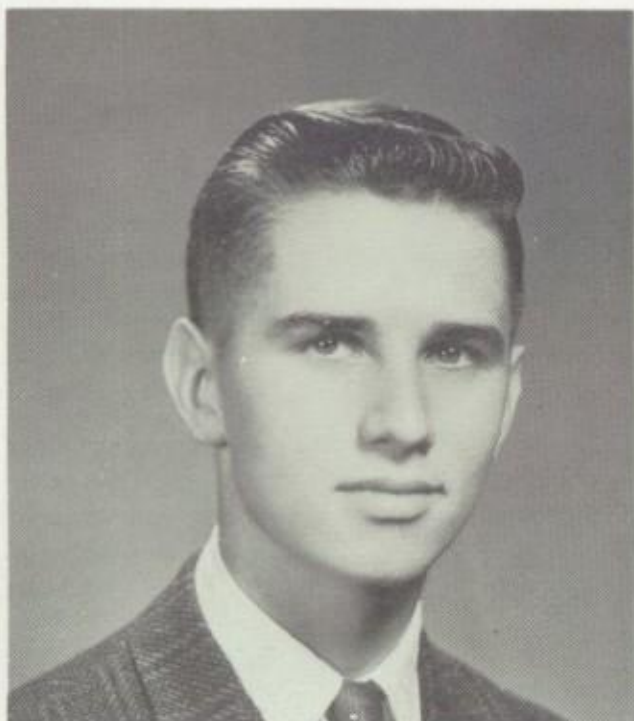

DENNIS PAUL BROOKS

At Stepinac High School in White Plains, Dennis was a member of the school Glee Club and the swimming team in his freshman year . . . During the two years he attended Stepinac, Dennis ran for the track team . . . At John Jay he became a speed-ball pitcher for the baseball team . . . tackle for the Varsity football squad . . . Student Council representative as a junior . . . acted in the Christmas play . . . member of the Yearbook staff . . . sociable . . . athletic.

ROBERT CHARLES BROWN

Bob was active in sports at John Jay . . . played J.V. basketball in his sophomore and junior years, and J.V. football in his freshman year . . . hard-kicking full-back for the Varsity soccer team as a senior . . . enthusiastic Sports Co-editor of the Yearbook . . . helped prepare for the Junior Prom and Senior Ball . . . interests include dixieland jazz, stamp collecting and bowling . . . Young Life President . . . willing worker . . . industrious . . . personable.

ROBERT BOBLETZ

Bob participated on the wrestling team in his freshman year . . . member of the Decorations Committee for the Junior Prom . . . active class representative on the Senior Privilege Committee . . . helped prepare for the Senior Ball . . . majored in mechanical drawing and in woodshop throughout high school . . . thinking of attending Westchester Community College . . . worked after school at the Salem Market in his senior year . . . interested in ice-skating, autos . . . known for subtle jokes and timely comments.

J. FREDERICK CABLE

At Eastview Jr. High in his freshman year Fred joined the Glee Club, Band, and Orchestra . . . Since he came to John Jay as a sophomore, he has played football . . . member of the Photography Club as a sophomore and the Yearbook staff as a senior . . . worked on Sadie Hawkins, Prom, and Ball Dance Committees . . . hopes to follow a career in chemical engineering . . . president of his church group and Boy Scout leader . . . good-humored . . . friendly.

LOUIS J. CAMPAGNA

Louis played basketball at John Jay in the intramurals for two years . . . active member of the Record and Auto Clubs in his freshman year . . . worked daily after school at the A & P Store in Mount Kisco in his junior and senior years . . . excelled in intramural wrestling for one season . . . helped on the Lay-out Committee of the Yearbook . . . interested in cars (any size or shape) . . . an avid roller derby fan . . . a nice guy.

MARGARET CANTINE

"Pete" has been active in girls' sports during high school . . . earned a position on the hockey and basketball honor teams . . . played the saxophone in the Band and sang with the Chorus for three years . . . crowned queen of the Junior Prom . . . served as the Secretary of the sophomore class . . . worked on the Key Club in her junior year . . . peppy cheerleader of the J.V. and Varsity squads . . . spontaneous, cheerful, cute.

ARTHUR R. COVEY

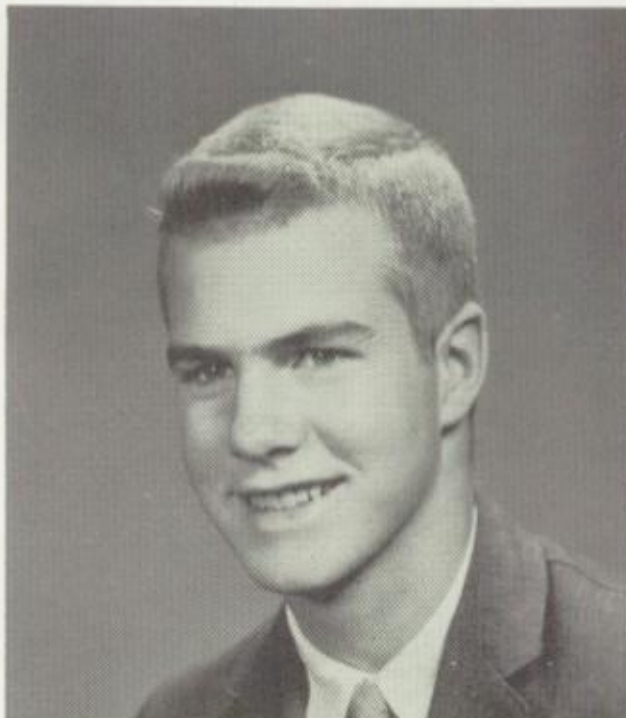

Artie inspired the athletic teams of John Jay during his high school career . . . played Varsity baseball and football for three years . . . co-captain of the J.V. basketball team in his sophomore year . . . co-captain of the Varsity football and basketball teams as a senior . . . honored by the National Honor Society in his third year . . . awarded the Junior Class Faculty Award . . . King of the Junior Prom . . . Student Council representative in his junior and senior years . . . enthusiastic . . . quiet . . . likeable.

GEORGE COVEY

George was an enthusiastic member of the Chess Club and Electronics Club in his freshman year at Katonah High . . . participated in basketball intramurals . . . member of the original John Jay Dance Band . . . has played in the Band and has sung in Chorus for six years . . . George majored in science and math . . . hopes to attend the RCA Technical School . . . interested in electronics, high fidelity, and autos (especially a black Hillman convertible) . . . good-natured . . . musical.

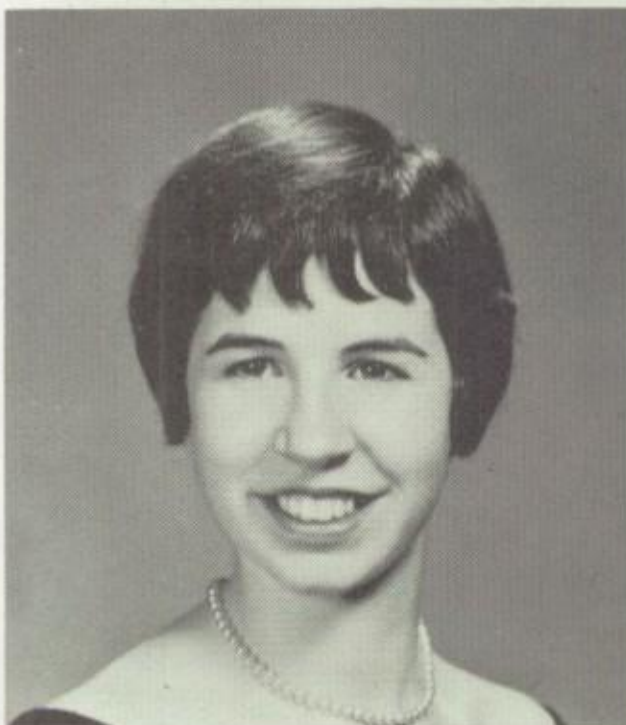

KENDALL E. CLARKE

Ken played basketball for John Jay during all four years . . . member of the J.V. team in his freshman and sophomore years . . . Varsity letter-man as a junior and senior . . . Student Council representative as a sophomore . . . worked as a lifeguard at Westchester Beach during the summer . . . science major . . . plans to attend business school . . . raises and sells wild animals as a hobby . . . hosted Nino from Italy in his home during his senior year . . . sociable . . . athletic.

DIAN F. ELLIOTT

Dian played each of the girls-sports . . . participated in the class tournaments and became badminton champ in her sophomore year . . . an ice skating enthusiast . . . showed acting ability in the Christmas Play . . . worked on the Senior Ball and the Junior Prom . . . member of the Production Staff of the Yearbook and of the John Jay Chorus for two years . . . Library Aide in senior year . . . emphatic . . . loquacious.

MARY LOUISE DILLON

Mary Lou has participated in the sports program every year . . . scored as a member of the hockey and basketball honor squads . . . avid tennis fan . . . held Drama Club membership in her freshman year . . . worked on the Yearbook staff . . . an enthusiastic math student . . . hopes to become a creative writer . . . especially interested in the game of chess . . . does a great deal of recreational reading . . . intellectual interests . . . dependable.

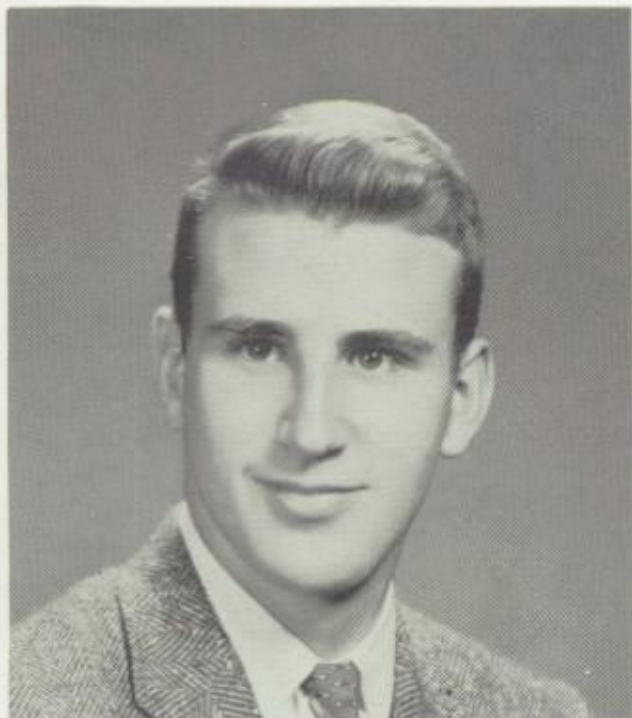

PATRICIA ELEANOR DURKIN

Pat has been an active participant in sports at John Jay . . . played hockey, softball, badminton and ping pong during her four years . . . Her artistic ability was a great asset to our class . . . helped on Decorations Committees for Senior Ball and Junior Prom . . . member of the Purple Patch staff for a year . . . did a terrific job as Layout Editor of the Yearbook . . . industrious . . . cheerful.

ROBERT C. EVANS, JR.

Rob was a member of the Band and Chorus in his freshman year . . . played in dance band as a senior . . . played football for three years, acting as co-captain in his last year . . . tennis star . . . rugged wrestler in the unlimited class . . . helped on dance committees of the Junior Prom and Senior Ball . . . Sports Co-editor of Yearbook . . . Student Council representative . . . Treasurer of the Key Club in his senior year . . . member of the Student-Faculty Relations Committee . . . plays a "cool" piano and accordion . . . easy-going . . . relaxed . . . considerate.

DAN FAST

At John Jay High Dan has worked hard in his major fields of math and science . . . In his sophomore year he was a member of the White Plains Young Men's Christian Association Swimming Team and swam in the county meet . . . member of the Varsity wrestling team as a senior . . . interested in cars . . . Dan's hobbies center around skin-diving and swimming . . . plans to go on to college after graduation . . . friendly.

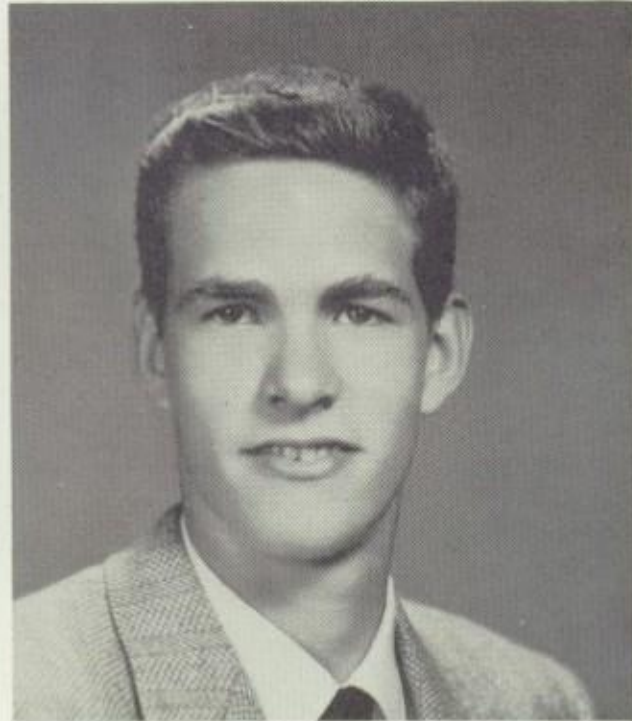

PATRICIA A. ETZOLD

At Walton Pat was a member of the basketball team . . . Since coming to John Jay, she has participated in most of the sports offered in the girls program . . . worked as an aide in the library . . . member of the Production Committee on the Yearbook Staff . . . joined the Nursing Club . . . After school hours and on weekends she devotes time to work as a nurse's aide . . . plans on becoming a nurse after graduation . . . pleasant . . . energetic.

CHARLES FLOOD

WE'RE FINALLY ON TOP

Dancing to the music of Johnny Casaboon and his band, many couples enjoy a dreamy evening at our Senior Ball.

The Varsity football team joins the cheerleaders at the football pep-fest to build up spirit for the oncoming game.

Nino receives a warm welcome from Rob Evans in behalf of our class at Ken Clarke's party.

At Ken Clarke's welcoming party, Marie enjoys Nino's smooth dancing style.

After the seniors put Pete Schuyler's Austin on the sidewalk one lunch period, he threatened to buy a Cadillac.

Dave Schaefer and Barbara Sammann feel the beat of Mieke and Dave's string music at Mrs. Shechner's Christmas party.

CLASSES

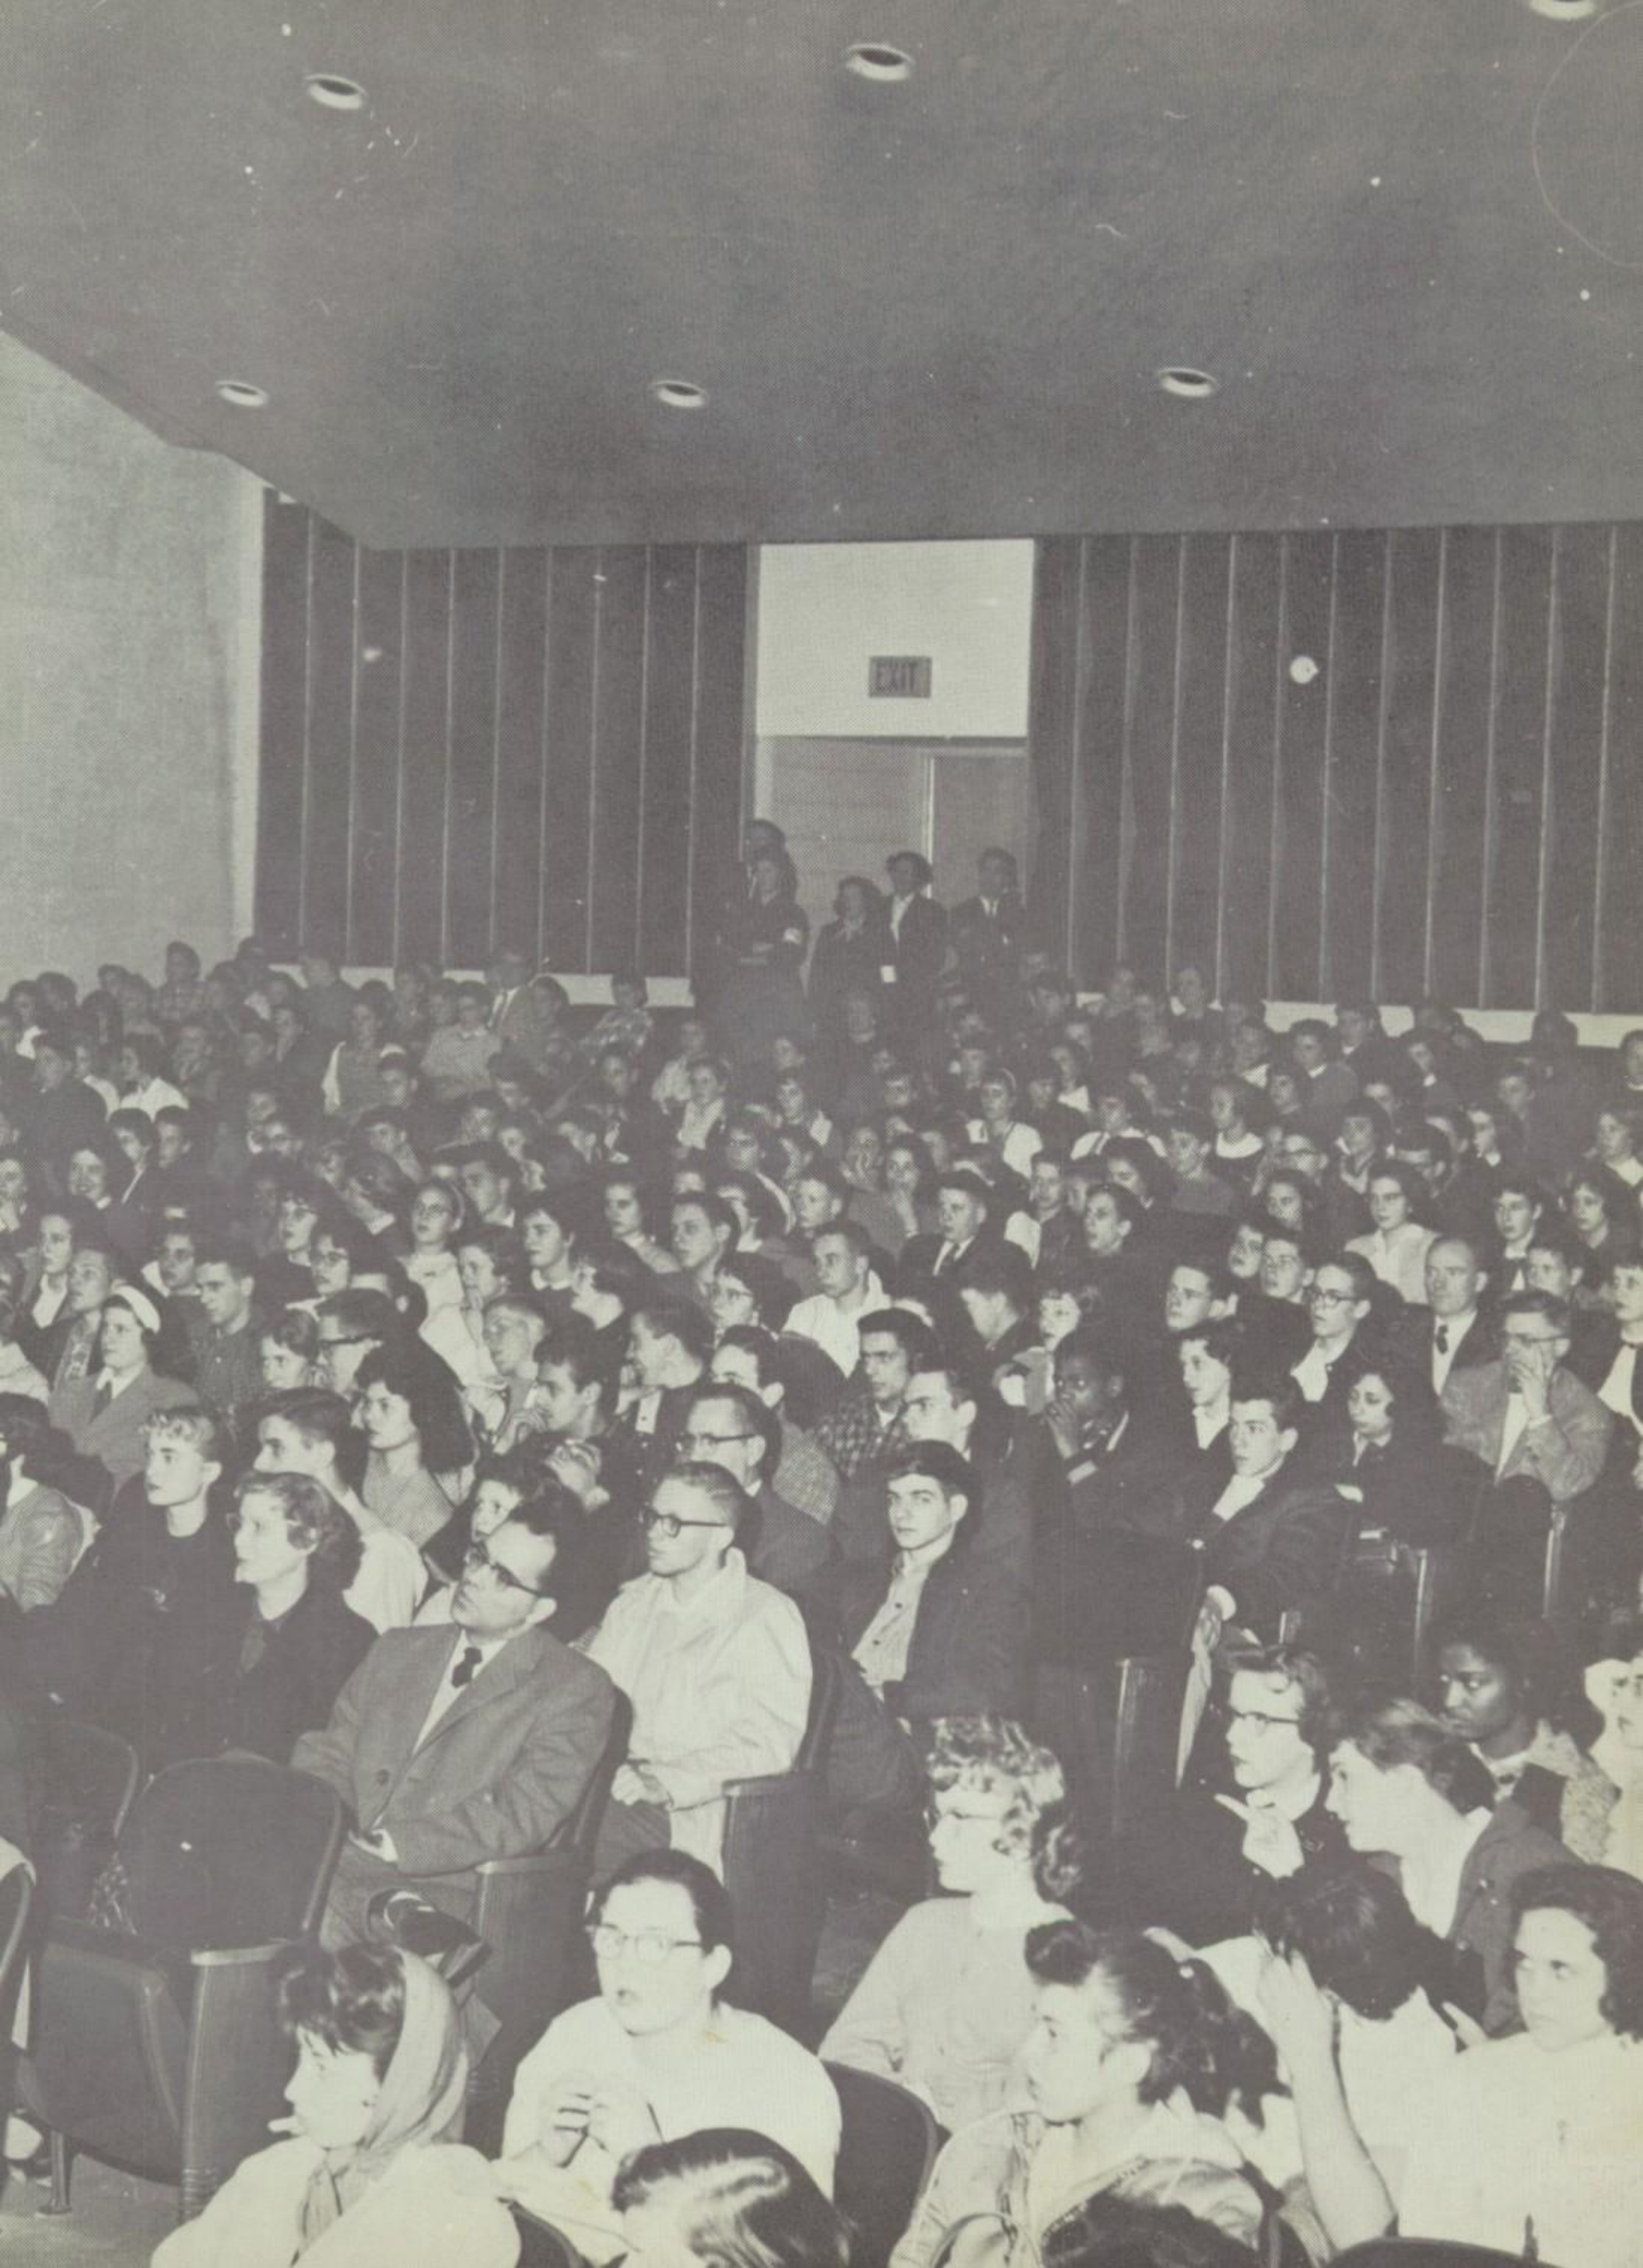

An unusual factor in our life at John Jay is the emphasis placed on self-government by the separate classes. During the year, each high school grade meets once a month to discuss problems, elect officers, plan activities and raise money for future projects. The members of each class take a certain pride in the works and activities which they have undertaken during the year.

In the class meeting the opportunity is given to practice self-government and to follow the rules of correct parliamentary procedure. Class projects are undertaken by committees appointed by the presidents. These committees are responsible for business such as organizing refreshments for dances, printing tickets for a prom or selecting class gifts.

The class meetings provide a place for exciting and often spirited discussions on such points as the relationship between student and teacher, the purpose of class spirit and pride, and the existence of "sets" and "cliques" in our school life. These situations give the student a chance to speak before a group which is actively concerned with what he has to say.

It is true that a group must have faith in itself in order to function successfully as a whole. In such a way, a class must learn from its mistakes and be proud of its accomplishments to get something out of its experiences. These projects give the active and enthusiastic class a great deal of room for expansion in the fundamentals of human understanding and hard work which are necessary for the success of any group undertaking.

JUNIOR CLASS

Mr. Lawler and Mr. Geddes advise the officers of the Junior Class on parliamentary procedure.

Homeroom C-5: (First row) A. Poppelauer, L. Geisen, K. Wheeler, L. Soltesz, L. Smith, W. Sweigert, D. Frede, B. Schmitt. (Second row) Mr. Lawler, Teacher; A. Whalen, M. Spreitzer, C. Read, A. Worsnopp, B. Williams, S. Sefcik, N. Carson, B. Young. (Third row) T. Vockins, B. Roberts, W. Parker, R. Smith, J. Srholec, W. Wilson, D. Ritchie, G. Sefcik, G. Repp. (Absent) J. Schroeder, C. Thibdeau.

Homeroom C-3: (First row) B. Cornell, K. Dillman, B. Fisher, P. Goldenberg, J. MacPhail, I. Bartz, L. Freudenheim. (Second row) Mr. Geddes, Teacher; K. Free, J. Chaskes, J. Bartsch, P. Cronk, N. Frith. (Third row) C. Frankenhoff, D. Rice, S. Sant, L. Henzl, T. DiPadova, R. Eastman. (Absent) F. Durham, I. Udoh, C. Johnson, G. Bennett, E. Gordon, G. Mitchell.

Eleventh Grade Officers:
A. Poppelauer, Treasurer;
D. Ritchie, President; S.
Whalen, Vice-president;
W. Sweigert, Secretary.

The class of 1960, in cooperation with their class officers, Doug Ritchie, Sandy Whalen, Wynn Sweigert and Astrid Poppelauer have successfully managed all of the traditional junior activities plus some original projects of their own this year. Besides presenting two platter dances, they produced an exceptionally fine Junior Prom with "Bali H'ai" as its interesting theme.

For the first time the American Field Service program was adopted in our school. This program allows us to send one member of the Junior Class abroad this summer under the auspices of this organization. Lynn Freudenheim, Bobo Mueller, Elliot Gordon and Wynn Sweigert were chosen as candidates by joint committees of students and faculty. From these four, a finalist will be selected before summer by the A.F.S. organization.

I am glad you finally decided to come back to school. Have fun this summer behave your self. Love, Joan

Homeroom C-1: (First row) T. Antonecchia, M. Hirning, V. Anderson, M. DelPozzo, M. Moore, W. Michelsen, M. Murphy, G. DiLucia. (Second row) Mr. MacDougall, Teacher; J. Matthews, A. Moore, R. Kelly, A. Zuccaro, M. Cuoco, W. Mallett, N. Micchiche. (Third row) D. Daly, J. Bogardus, S. Lantry, C. Martin, E. Nash, J. Ganun, W. Moore. (Absent) H. Morgan, R. Mueller, W. Close, R. Mazza.

Homeroom A-7: (First row) M. Curran, S. Sadai, C. Greene, K. Walton, M. Raboy, R. Perri, B. Rinehardt, L. McCormick. (Second row) Miss Ward, Teacher; M. Lefor, S. Lewis, L. Hulett, A. Strong, D. Lefcourt, D. Kewick, J. Andrews. (Third row) D. Vockins, R. Key, R. Black, J. Hogan, R. Bunzick, R. Touart. (Absent) K. Duffy.

Sophomore Class Officers: K. Sheldon, Vice-president; R. Covey, President; G. Thompson, Treasurer; (Absent) D. Frampton, Secretary.

SOPHOMORE CLASS

Homeroom A-4: (First row) E. Chalmers, A. Hardy, B. Cooper, S. Posner, S. Sheppard, D. Kurtz. (Second row) Miss Lee, Teacher; F. Munk, K. Sheldon, D. Morrill, F. Blaney, J. Lawrence, D. Abbey, R. Hund. (Third row) R. Covey, C. Hayden, P. Kellogg, D. Fiocco, C. Mitchell, L. Johannes. (Absent) D. Frampton, E. Gladstone, B. Hahn, E. Gluz.

Homeroom A-8: (First row) P. Wright, G. Moore, C. Capello, T. Dworkin, J. Ruane, G. Thompson, G. Adams. (Second row) Mr. Goudrey, Teacher; H. Niles, R. Hodges, B. Blackley, C. Rudd, L. Sumner, B. Burr. (Third row) J. Suhler, C. Sammann, J. King, M. Dingee, H. Alonzo, R. Hilton. (Absent) M. Bubb, S. Kaufmann, C. Murphey, E. Ivory.

The Sophomore Class has been fortunate this year in choosing such competent officers as Rodney Covey, Kay Sheldon, Dave Frampton, and Gail Thompson; these officers have been equally fortunate in having a cooperative class to work with. Together they presented one of the year's most original and entertaining platter dances in "Mem-

ory Lane", which featured song hits of the past few years.

They followed with another successful dance after the Fox Lane basketball game. In addition, they presented the Sadie Hawkins Dance with some new and different ideas. During the year the Class of 1961 has shown the promise of future success.

*Kathryn
Best of luck in
the future*

Homeroom A-2: (First row) F. Cakavell, B. Shobe, C. Schutte, A. Lawler, S. Owen, D. Jones, K. Quinn, P. Covey. (Second row) W. Covey, B. Taylor, B. McClair, R. Brant, R. Ellsworth, G. Palmer, G. Preble. (Third row) P. Zimmerman, T. Evans, T. Pascale, T. Helmes, C. Wettje. (Absent) D. Trela, D. Craighead, M. McNeil. Mr. Kanzler, Teacher.

The members of the class of 1962 started off the year working to become an integral part of high school life by adjusting to their newly acquired freedom and to their greater responsibilities. Under the guidance of Miss Budd, Miss Courreges, Mr. Gibson and Mr. Cuccia, the freshmen have overcome many of their problems and are developing the ability to work together as a class. This is demonstrated by the increased amount of planning that they do in their class meetings. The class enjoyed presenting its first class dance, "The Stone Age Rock," and, later in the year, a platter dance following the Lakeland basketball game. Having successfully completed its freshman year, the class is anxious to assume sophomore responsibilities.

Class President, Judy Elder, speaks to the Freshman Class at a meeting in the auditorium.

FRESHMAN CLASS

Homeroom A-6: (First row) D. Piller, R. Enquist, D. Gambini, B. Neukirch, E. Gluz, G. Marcus, R. Roberts, P. Emory, B. Griswold. (Second row) Miss Budd, Teacher; E. Ivory, L. Heuss, S. Sayles, W. Williams, A. Baur, A. Helmes, M. Rossow, E. Kastning, M. Tierney. (Third row) J. Coutermash, K. Shortall, C. Ryvlin, M. Miller, D. Bartel, M. Lally, D. Kellogg, J. Beardsley, E. Lawrence, B. Harrison, B. Balgooyen.

Homeroom H-1: (First row) B. Lawrence, B. Murray, W. Yates, A. Martin, J. Shoober, C. Cuoco, S. Zimmer, B. Morrill. (Second row) Miss Courregas, Teacher; N. VanStreader, J. Hicks, S. Conlon, G. Bradbury, M. Somers, P. Kellogg, A. Perry, U. DiNardo. (Third row) R. Schmitt, D. Jenkins, J. Bals, K. Gould, J. Nye, R. Hirning, A. Lee, K. Ringstrom. (Absent) D. Farquhar, D. Ferguson, J. Moore, P. Sullivan, L. Westfall, B. Whalen, R. Holas, W. Burt.

Ninth Grade Officers: J. Nye, Secretary; J. Elder, President; D. Bartel, Vice-president; J. Scannell, Treasurer.

Homeroom C-2: (First row) K. Kelly, J. Perry, H. Walker, S. Eldridge, S. Oates, B. Avery, R. Ludwig, P. Hauck, M. Nash. (Second row) Mr. Gibson, Teacher; J. Jones, J. Barbour, L. Peck, R. Griswold, D. Merrill, J. Demetrops, F. Secord, J. Maas, J. Elder. (Third row) H. Moore, R. Sheldon, E. Moore, J. Parker, J. Boissy, R. Stone, M. Gavalis, D. Daly. (Absent) J. Finucane, B. Balgooyen, J. Scannell, R. Persinger, L. Wallace, R. Hodges.

Home C-4: (First row) S. Freudenheim, J. Requa, B. Bartz, F. Gay, E. Stahl, J. Sharpe, R. Blackwell, G. McGrath, J. Rice. (Second row) Mr. Cuccia, Teacher; P. Breese, B. Shrolec, S. Moore, J. Gedney, N. Parker, K. Grimshaw, G. Finlayson, M. Krzeminski, S. Quick. (Third row) J. Thibdeau, D. DiPace, W. Wilson, F. Ripperger, E. Barker, E. Jamroga, R. Brant, R. Meyer. (Absent) S. Quinn, P. Geyer, J. Robinson, G. Libster, F. Hoerauf, R. Clark.

EIGHTH GRADE

Homeroom B-7: (First row) G. Burt, D. Gutman, J. Cory, J. Plevka, G. Austin, S. Easterbooks, A. Fiocco, C. Nash. (Second row) D. Chamberlin, Teacher; R. Cassar, S. Mayer, R. Murray, G. Preble, H. Maas, R. Rummler, D. Reid, C. Vierling. (Third row) P. Bogardus, R. McMorrow, T. Vitiello, R. Miller, P. Hilliard, J. Taylor, C. Jones. (Absent) W. Fisher.

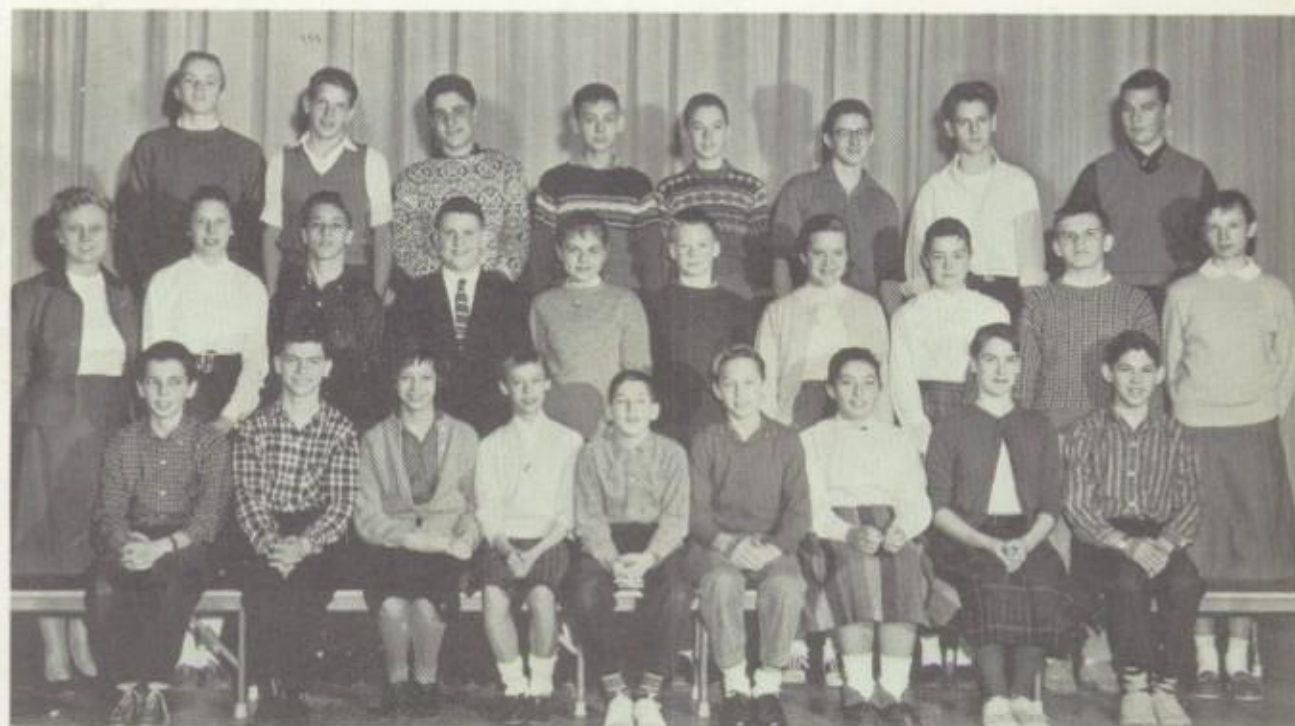

Eighth Grade Officers: M. Morris, Secretary; J. Lantry, President; B. Hayden, Vice-president; S. Eastman, Treasurer.

Homeroom H-4: (First row) D. Jones, A. Piatt, H. Etzold, P. Moore, D. Nelson, J. O'Conner. (Second row) L. Salvio, T. Marotta, P. Nadeau, R. Munks, J. Parker, R. Carmani, D. Mullaney, Teacher. (Absent) L. Tillott, D. Ledingham, D. Jordan, R. Carman, W. Fisher, P. Grenier.

This year has been a busy and enjoyable year for the eighth graders. Mr. Chamberlin's history students will certainly remember the three-month scrapbook project about the development of the New York state political races. They may also recall Mr. Chamberlin's familiar refrain: "And where did the great Lincoln come from? Why, Illinois of course!" Mr. Chamberlin took a group to see the Rockefeller Rally in Chapqua. One class also went to see *Die Fledermaus* by Johann Strauss. Also, several boys who are members of Mr. Mullaney's Hot Rod Club have built motor-driven cars which they raced this spring.

At their fall dance the Class of 1963 enjoyed dancing to the music of the John Jay Dance Band. With the help of Miss Smith, Mr. Chamberlin, Mr. Mullaney and Mr. Bachrach, the eighth grade is now prepared to assume its position in high school life.

Homeroom B-1: (First row) D. Gedney, R. Merrick, K. Maxwell, L. King, J. Sadai, R. Munk, M. Paoletta, C. Hodges, E. Edwards. (Second row) Mrs. Wagner, Teacher; A. Barker, W. Apy, J. Forman, S. Swanson, W. Hayden, V. Eastman, K. Michelsen, J. Howell, B. Ross. (Third row) J. Lantry, G. Rohrs, R. Widman, D. Esack, P. Homberg, D. Parker, C. Ellis, P. Grenier.

Homeroom B-4: (First row) K. Enquist, R. Hall, E. Woodcock, R. Jamroga, R. Elliott, L. Kirchhoff, W. Moore, F. Murray. (Second row) Miss Smith, Teacher; H. Whittle, P. Van Streader, S. Thompson, C. Knapp, D. DeMarco, P. Breese, L. Cohen, A. Patti. (Third row) E. Schrimpe, D. Reid, W. Lang, J. Lawrence, S. Horne, C. Egloff, S. Shortall. (Absent) V. Morelli, D. Pecora, S. Thurston, P. Vittorini.

Homeroom B-6: (First row) D. Van Wormer, D. Dunsmoor, J. Paul, A. Krzeminski, M. Morris, T. Rowedder, E. Lorenz. (Second row) Mr. Bachrach, Teacher; E. Friesner, K. Lanier, M. Stingel, P. Morrison, E. Fast, A. Durham, A. Addis. (Third row) W. Clabault, A. Rydgren, W. Barry, D. McClelland, P. Bradley, S. McCarty, R. Wilkenloh, J. Tintera. (Absent) D. Trussell.

SEVENTH GRADE

Seventh Grade Homeroom Representatives: (seated) P. Crawford, B. See, K. Opoulos, S. Covey, J. Free. (standing) R. Finucane, G. Wollam, W. Shugg, B. Niles, D. Park, J. Gerardi.

Homeroom B-8: (First row) F. Fowler, K. Nevins, G. Gedney, S. Lord, Y. Shugg, H. Lanigan, T. Gluz, K. Opoulos. (Second row) A. Field, Teacher; D. Ritchie, P. Beardsley, G. Geraerds, J. Dahl, D. Porter, D. Lewis, P. Townsend, S. Jones, S. Parker. (Third row) W. Taylor, J. Lent, J. Meyer, N. MacPhail, T. Newton, D. Van-Wagner, K. Rudd, D. Krzeminski. (Absent) P. Davies, L. Srholec.

Homeroom B-3: (First row): S. Anderson, R. Cole, J. Gerardi, J. Blair, R. Reich, J. Free, E. Vellotti, R. Farebrother. (Second row) B. R. Miller, Teacher; P. Sutphen, D. Christian, W. Barber, L. Low, D. Dworkin, B. Scofield, R. Tschorn, A. L'Eplattenier. (Third row) N. McCormick, M. Hull, R. Esack, M. Salvio, M. Lee, F. Pettiford, P. Whittle, C. Harrison, E. Schappert. (Absent) D. Ledingham, E. McClelland, C. Maples.

Homeroom B-5:

(First row) J. Baur, K. Sumner, H. Rohr, T. Rinehardt, J. Dupont, D. Weller, K. Kerst. (Second row) Mr. Werner, Teacher; B. See, G. Wolam, P. Peck, J. Hauck, J. Jensen, R. Valvik, A. Kellogg, E. Helmes, D. Manzon. (Third row) C. Martens, S. Nickerson, W. Conklin, M. Bals, P. Crawford, R. Gillette, R. Finucane, A. Palmerini, G. Cole. (Absent) C. Jagemann, J. Litalien, B. Gerstein, W. Bogardus.

The class of 1964 has already showed the promise of future success in activities that must be undertaken in the years to come. Although the seventh grade has not sponsored anything independently, it has participated jointly with the eighth grade in several successful activities. There are very active members of the seventh grade on the Junior High Student Council;

they have had joint assemblies and class meetings; they have assisted in preparing for junior high dances. The seventh grade is unique in that it does not have officers to direct the class affairs. Whenever an occasion arises that needs student direction, a committee is appointed. In this way a large number of the students get a chance to govern class activity.

Homeroom B-2: (First row) D. Walton, J. Lemolo, K. Soltesz, D. Park, P. Fuller, L. Opoulos, D. Hanlon, T. Bubb, S. Covey. (Second row) A. Witte, Teacher; P. Williams, C. Wegmann, M. Miller, E. Bently, C. Simoncini, E. Milligan, C. Mazza, B. Niles, G. Moore. (Third row) J. Finch, A. Jackson, R. Crane, F. Semenez, T. Williams, C. Mueller, W. Fish, J. Hicks, J. Gavalis. (Absent) S. Fuller.

ACADEMIC

Our academic work at John Jay is the central factor of our school life. The classes we attend, the tests we take and the books we study are all based on our desire for knowledge in the fields we choose.

In his high school career, the John Jay student may take several major sequences in different areas, thereby gaining a good secondary school proficiency in these subjects. John Jay offers two foreign languages—Latin and French—for study up to four years. Our science program includes physics and chemistry, and our math department has evolved into a smoothly integrated series of math courses. Four years of English and history are required at John Jay.

Although college preparatory work is stressed at John Jay, the school also provides opportunities for commercial and vocational work. Courses in shorthand, typing, home economics, wood shop, auto shop and electric shop give many the chance to learn skills which may be useful in future occupations.

The spirit of learning is strong at John Jay. This is shown by the increased student use of the library and the rising demand for good books and reference material. The honor roll provides an incentive for harder work and study, and it is a reward for obtaining outstanding grades.

Lois M., Dawn V. and Dian E. work on their senior papers in the library; the reports ranged from hypnotism to the native races of Africa.

Jeanne H. delivers a speech to her senior English class in the auditorium.

THE STUDY OF

In speed reading class, Mr. Bachrach interprets a progress chart while his students follow with their own copies.

The most individual aspect of our English curriculum is its division into three tracks: Advanced, Regents and Certificate. The triple track program is in the transitional period where the work for advanced, medium, and slower courses is being adjusted according to the judgment of the teacher. However, by the time the present ninth grade is ready to graduate, it will have had four years of English under the system, and the superior group will be adequately prepared to take examinations for advanced standing in college.

The department also provides an important service for those students lacking necessary language skill. In the reading skills class, which meets three times a week, such materials as phrase and vocabulary cards, penmanship exercises, speed reading books, and continued diagnostic tests are used to aid progress.

Oral work forms a large part of the work in all of the English courses. Certainly, the seniors will remember the speeches which they presented to their classes in the auditorium.

Seventh grade students take notes during an English discussion period.

The sophomores wait for their cue from Mr. Henriquez as they tape the musical, *The King and I*.

OUR LANGUAGE

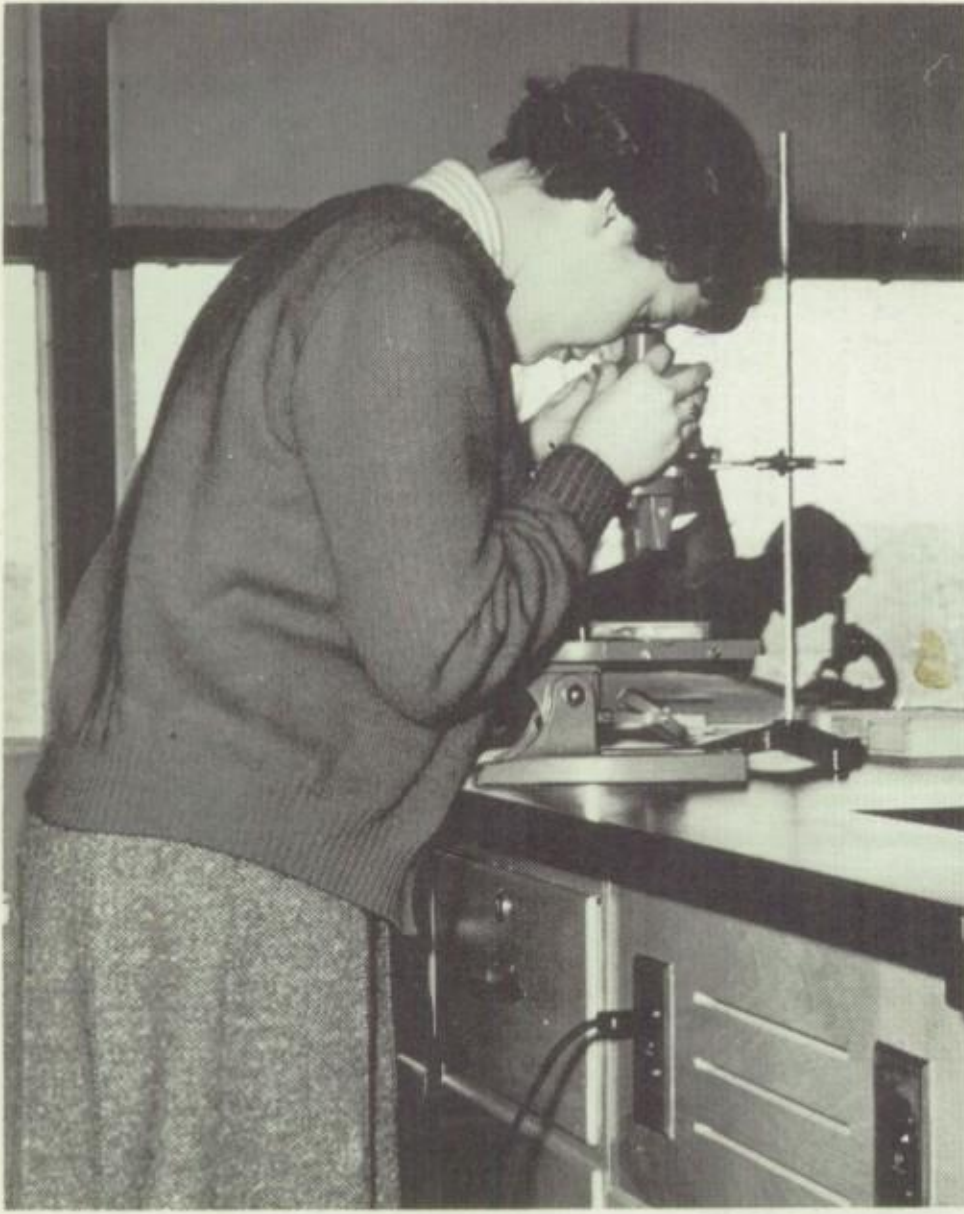

Furthermore, much of the time in high school is devoted to the study of literature. American and English literature is studied with an emphasis on certain novels and plays which are read and discussed in class. If we should look into a junior class we might find the students recording *Romeo and Juliet* and then listening to the London Company's interpretation of it.

Composition work advances from constructing the sentence and paragraph to composing the various styles of literature: the essay, play, short story, poem, and ballad. The final composition step is the mastering of the many skills required for a research paper. This year one senior class did two papers on English literature with topics ranging from the medieval guilds to the Age of Reason.

The junior high students do research work in the library for their reports.

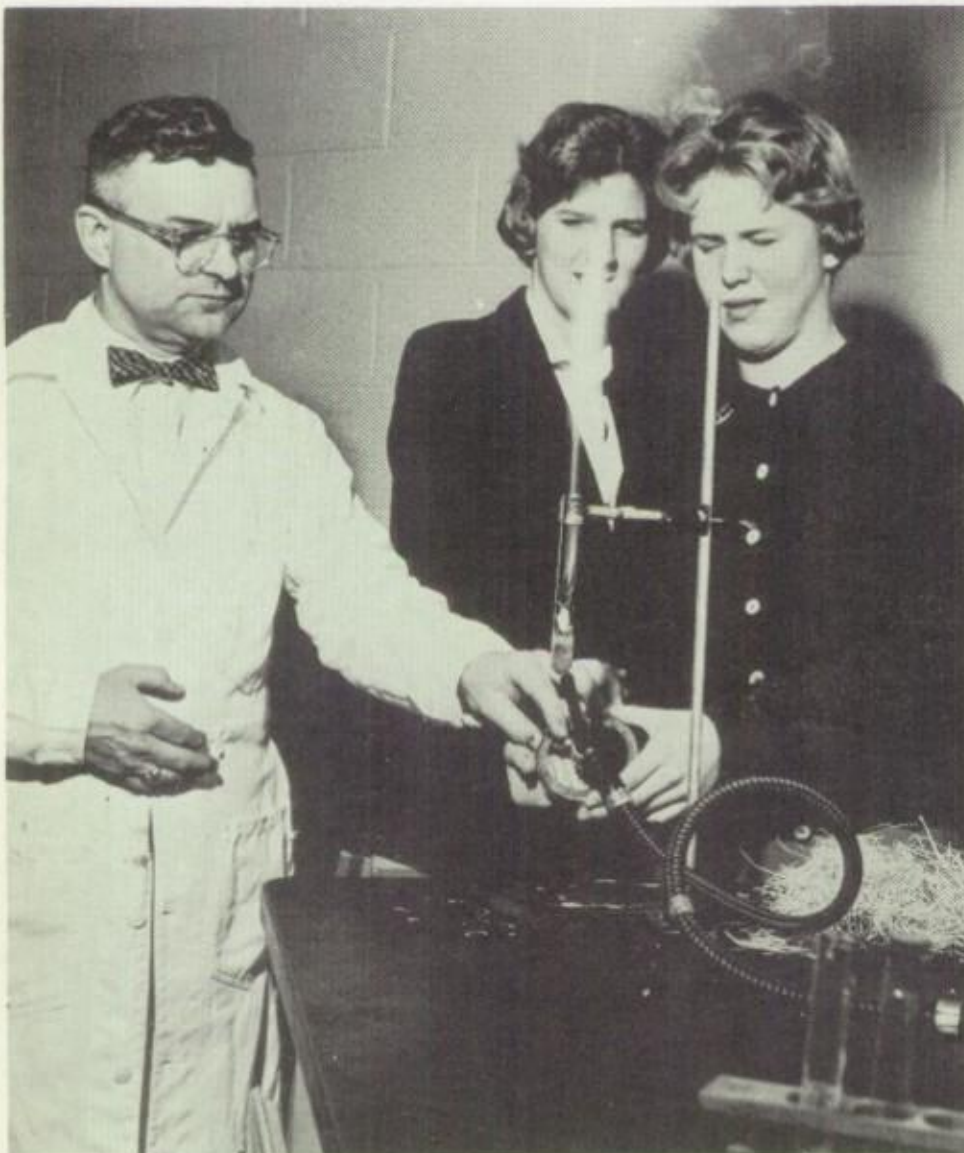

THE SCIENTIFIC METHOD

Sue S. views a fungus colony through the three dimensional microscope in biology lab.

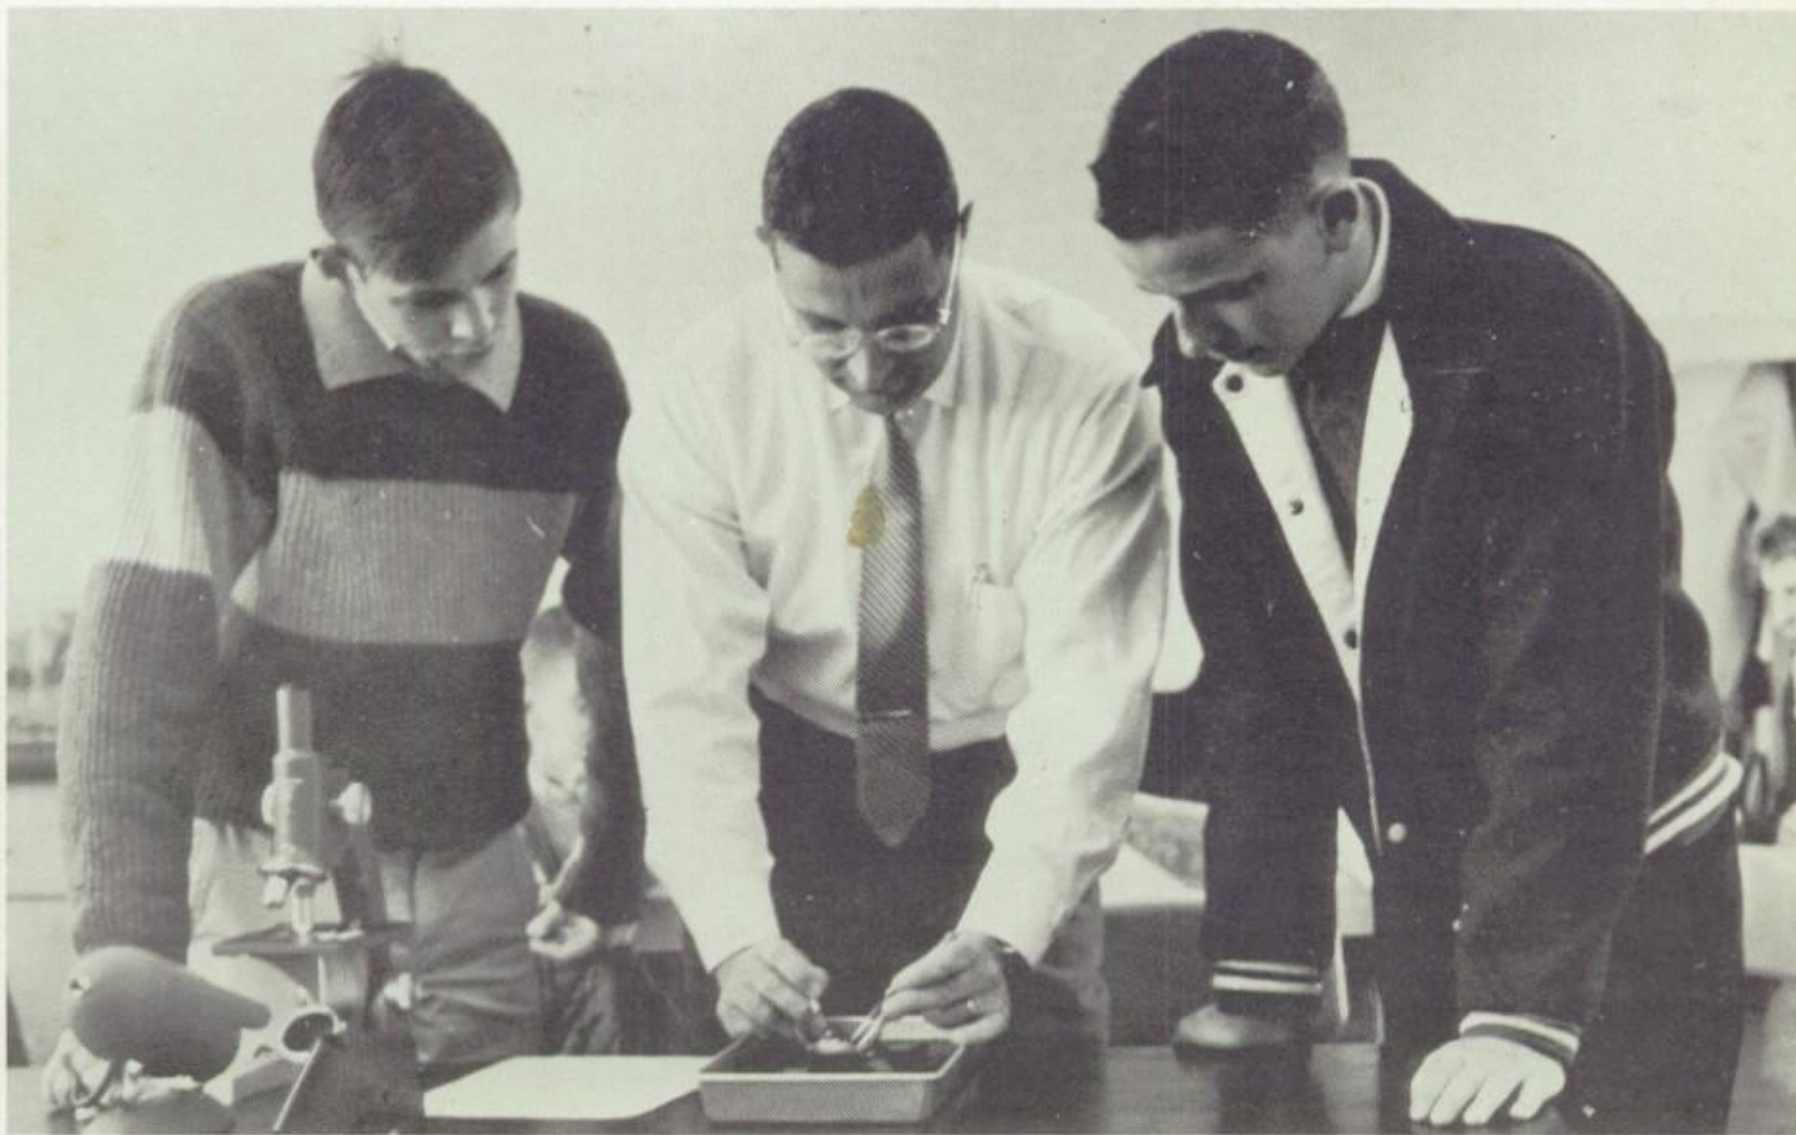

Jeanne H., Mieke M., and Carol H. study the effects of a concave mirror in physics lab.

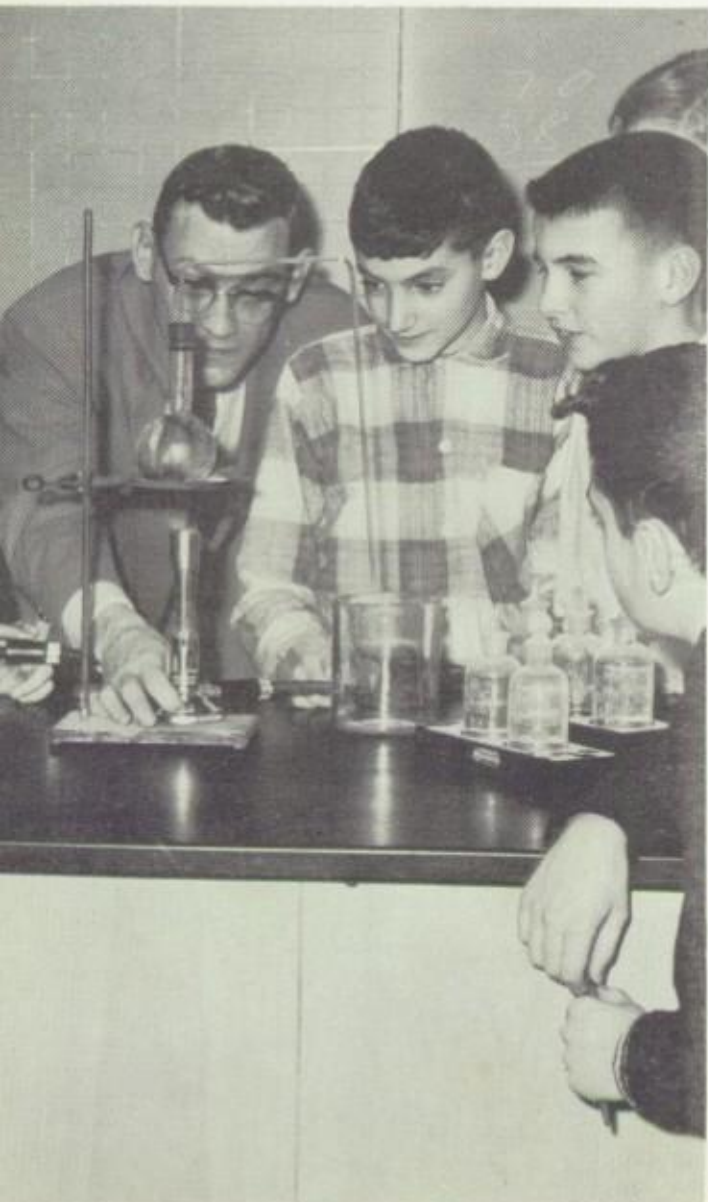

"Doc" MacDougall, Jackie H. and Sally M. work with combustible materials in Advanced Chemistry class.

Mr. Lawler demonstrates the initial steps in the dissection of a frog to Louis S. and Grant P. in biology lab.

Mr. Swanson and the members of the seventh grade science class distill water of various impurities.

In our modern world in which the conquering of outer space is in the foreseeable future, high school science courses are being brought into the public spotlight and evaluated. Our science department has met the challenge of public opinion with an intensified science program.

Basically the aims of the science department have not changed. The sciences taught at John Jay are by necessity only the basic elements of each science. The department hopes that it will awaken each student to the fact that the sciences are still expanding and broadening as a result of modern discoveries. It also aims to develop a logical manner of thinking in each student.

The required General Science course provides a survey of elementary astronomy, geology, biology, chemistry and physics. Primarily, it is meant to be an introduction to further courses.

During this year the Biology course has made a definite advance in having two scheduled laboratory periods a week. The students have been greatly aided in their study by the purchase of a stereoscopic microscope which permits a three-dimensional viewing of slides and cultures.

For the first time at John Jay there is an Advanced Chemistry course offered by the science department. The course of study covers both high school chemistry and the first year of college chemistry for a selected group.

The final step in the high school science program is the Physics course. For those who are taking it as a terminal course, physics provides many concepts which are practical in life situations. Physics is also a prerequisite for the student who intends to study engineering in college.

The Latin courses offered at school aim not only to teach the fundamentals of the language, but also to instill in the students a sense of perspective. In reading Cicero and Caesar, we find similarities concerning world problems then and now.

Miss Callenius makes this more apparent in third year Latin by comparing situations in the reading with current events.

Attention to detail is essential in learning Latin. Declining a Latin noun takes patience, but the result is a sense of satisfaction at having done it well and carefully.

Learning Latin is a step toward better English, strange as it seems. Since our language is a direct result of Latin, to understand it is to better appreciate English grammar and vocabulary.

Miss Budd helps Dave S., Bev J., and Art C. with French verbs as they prepare for the College Board Achievement Tests.

NEW WORLDS OF EXPRESSION

Third year Latin students read information on Roman history for their research papers.

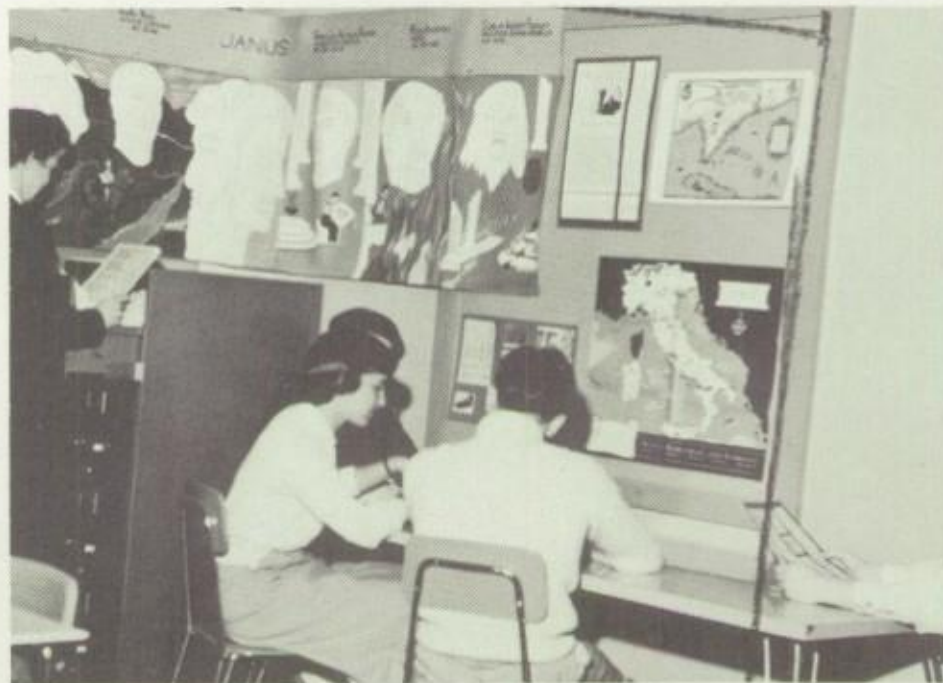

Three years of French are offered at John Jay. A special course is available, however, to those in their senior year who have taken the language as their major, and would like to continue translating in their fourth year.

As French is a living language, much emphasis is placed on speaking it well. Translation of stories, however, is also a major part of the courses offered.

In addition to teaching the fundamentals of the language, Miss Budd also acquaints her students with the geography of the country, its culture, and its famous people.

With a good background in the French civilization, it is easier to interpret the language as it should be done. When one associates the language with its culture, it becomes more personal to the student and hence more easily understood.

Members of the Latin II class are tested on their vocabulary words.

In the General Home Economics course, two junior high girls learn to prepare and bake foods.

Home economics courses are offered to all high school girls who exhibit the desire to become teachers of home economics, dietitians, or better-prepared homemakers.

The girls are introduced to the field in the seventh and eighth grades when it is a required subject for all. Home economics becomes an elective for senior high girls, who may choose courses from four different fields: general home economics, foods, clothing, and family relations.

In classes, the girls enjoy discussing problems that confront modern families and learn to plan diets, prepare meals, and make their own clothes. The interesting teaching methods of Miss Field and Mrs. Covey add to the success of the home economics courses.

Two junior high girls experiment with color combinations during their home economics class.

RESPONSIBILITY IN THE THE HOME AND OFFICE

Ted D. follows correct typing procedure in memorizing the keys as Miss Ward stands by ready to help.

Diane J. listens to recorded letters as she improves her typing speed.

Miss Ward, our interested commercial subjects teacher, never hesitates to extend a helping hand to students floundering with shorthand symbols. As the shorthand and typing teacher, she covers the subjects with an interesting approach to education. To add to the appeal of her classes, she inserts a bit of life through her personality, her enthusiasm, and her friendly attitude toward the students.

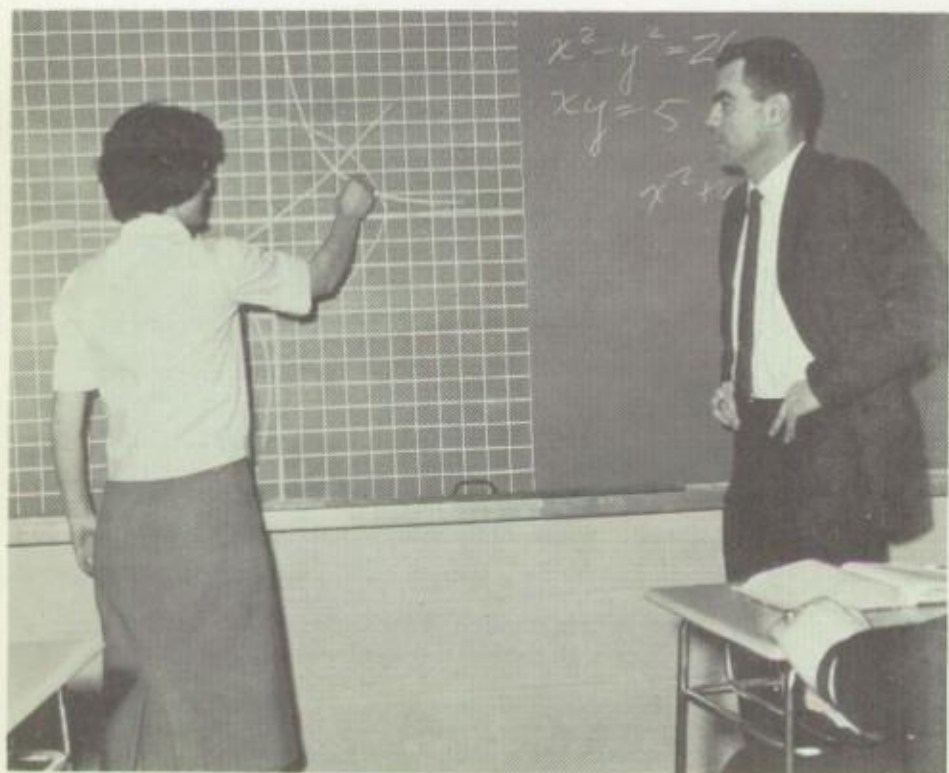

If anyone should happen to walk into one of the typing classes, he would at first think that he was at an Arthur Murray studio. This is due to the musical recordings which are played as aids to rhythmic typing. The methodical sound of "one, two, three, ready . . . type!" develops the typing techniques of America's future secretary.

On the other hand, the shorthand classes require attentiveness. This is mainly attributed to the memorization involved. Brief forms, phrases, and general letter writing all form part of the work. Miss Ward's teaching is as personal an asset to the students as her friendship.

A SYSTEM OF THINKING

K. Maxwell, V. Eastman and E. Edwards become familiar with different forms of geometric figures in math class.

Nancy S. graphs an hyperbola for her class in Eleventh Year Math as Mr. Goudey looks on.

Mr. Gibson uses the board to diagram a problem in plane geometry for Kathy W.

Any student with a sufficient interest in mathematics can get a well rounded introduction to the science through the many courses, both fundamental and advanced, presented at John Jay. Mathematics is a stimulating subject and can prove extremely gratifying when one solves a difficult problem.

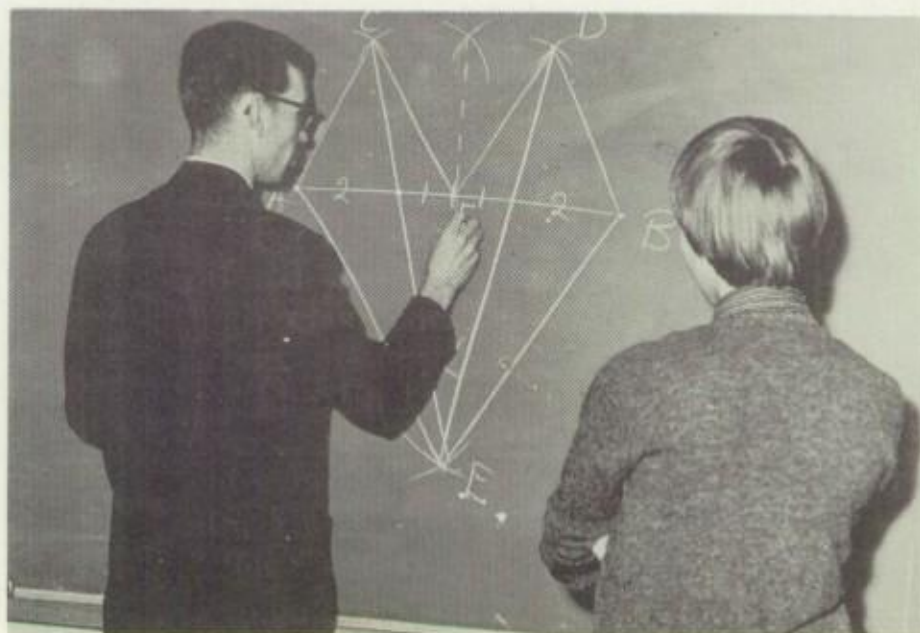

A student in the junior high is required to take both seventh and eighth grade mathematics. The former is concerned with the basic understanding of everyday mathematics; the latter gives the student a taste of several different areas including algebra, arithmetic, geometry, and percentage. Both of these courses (like most others in this field) are presented by lecture, blackboard examples and visual aids.

Upon entering high school, one usually spends a year studying algebra. The following year plane geometry presents even more of a challenge because it emphasizes learning the methods of sound reasoning. With a protractor, a ruler and a compass a student must also construct many kinds of relationships between lines and angles. Experimentation in impossible constructions, such as the trisection of an angle, often proves fascinating for both student and teacher.

Eleventh year mathematics is a merging of intermediate algebra with trigonometry, a science based on the relationships between the sides and angles of a triangle. During this year it is wise to learn how to operate a slide-rule, an instrument which greatly speeds arithmetic computation. An enlarged model of a slide-rule sometimes used for class instruction is located in the science building.

In the senior year, the few remaining mathematicians take one-half year of advanced algebra and one-half year of solid geometry. In solid, one is concerned with three basic objectives: 1. Continued growth and power in logical reasoning and perceiving the relationships of objects in space. 2. An opportunity to put arithmetic and algebra to work. 3. Further understanding of practical problems met by the architect, the engineer, the carpenter, and the mechanic.

After one has successfully completed the above courses he knows the validity of the statement, "You only get out of something what you put into it." For this reason many students shy away from mathematics. True, it is a challenge. But it is not impossible, and in our technical, modern world, it is becoming of increasing importance.

In the eleventh year advanced American history class, Irene U. sums up her case in the trial of Thomas Jefferson to the jurists Gary M., Doug R., Bobo M., and Lee G.

The social studies department at John Jay has continued the twelfth grade Advanced Placement course this year. The class is conducted by Mr. Kanzler, and within the framework of the course he tries to instill in the students an attitude of critical thinking, to improve their research techniques, and to cover certain phases of American history in great detail. Written reports are an important aspect of this subject. Such topics as the causes of the American Revolution, the ideas of the Declaration of Independence, and the origins of the Civil War are studied thoroughly before they are set down on paper. The other senior citizenship education classes have done research papers on topics relating to various social problems.

The eleventh year advanced class in American History strives to develop independent thinking and a better understanding of democracy. An imaginative project conducted by Mr. Sporborg was the mock trial of Thomas Jefferson on the charge of treason by the British Star Chamber.

The sophomore world history classes have stud-

Dick H., Bob B., Leo H., and Art C. work on their reports for their history classes.

TO LIVE WITH DEMOCRACY

ied the political and economic conditions of foreign countries. Drill and discussion periods are only one phase of this course. The writing of research papers, book reports and biographical sketches has grown in importance.

Some of Miss Lee's freshman classes have been participating in monthly seminars on philosophical subjects. A student host, a secretary and a discussion leader were present at each of these meetings. At these meetings the freshmen discussed the ideas of beauty, balance and religion. In addition, the freshmen undertook several projects relating to the world's people and their problems. This has involved extensive reading of certain newspaper editorials and magazine articles on current events.

Mr. Chamberlin believes that eighth grade history should be an active, working subject. During the race for the governorship of New York State, his class made scrapbooks for each of the two candidates. After holding a mock election between Rockefeller and Harriman, some of his students attended a Rockefeller rally in Chappaqua.

Taking advantage of the mild fall weather, Mr. Sporborg conducts an informal American history class outdoors.

Doing a special assignment for Mr. Kanzler, Carol H. reads *War and Peace* in a weekend and reports on it the following Monday to her history class.

Charlie S. and Don F. repair a model of the Elizabethan theater for the English Department in Wood Shop.

Rob. E. completes his isometric drawing while Bob B. works on his orthographic projection in sixth period mechanical drawing.

DESIGN, DEVELOPMENT, PRODUCTION.

The Industrial Arts program is one of the most interesting and rewarding in our curriculum. Students from seventh to twelfth grades learn modern methods and principles, and gain practical experience in the general, auto, metal, electric and wood shops.

In driver education class Mr. Cuccia strives to lead each student to an understanding of the physical, mental, and emotional conditions that affect driver and pedestrian behavior.

The mechanical drawing course is concerned with mastering the professional drawing tools and using them in precision orthographic, isometric, and machine drawings. The practices of architectural drawing in creating and developing different structures is an equally vital part of the course. This year Miss Courreges has succeeded in condensing the three years of mechanical drawing into an accelerated course for seniors.

The Art program in John Jay gives students the

opportunity to create, appreciate, and experience the use of the wide range of equipment available. Junior High Art, under Mr. Miller, involves work with various crafts, such as jewelry-making, weaving, ceramics, leathercraft, model-making, and wire sculpture. It also acquaints the student with elementary painting, theater design, costume design, interior design, lettering, and the advertising arts.

Art I, taught by Miss Courreges, is mainly concerned with grasping the basics of color and design and applying them in different media to original creations. Art II, III, and IV are carefully planned so that the student receives a thorough background for a college art major. This year the art majors have been concentrating on applying the fundamentals of three dimensions to their works in realism, cubism, and abstractionism, using all the different media available.

Carlo M., Charlie F., Nancy R., Steve K., and Barbara S. inspect the paintings of the masters and try their hand at their own interpretations.

Mr. Cuccia explains the five factors affecting safe braking to his Driver Education class.

VARIATION IN SOUND

Judy N., Laura C., and Joan P. practice their violin scales during a lesson with Mr. Garvin.

Bernie B. follows with his own sheet of music as Mr. Bramson counts time for trumpet-playing Paul B.

The percussion section practices timing and rhythm during a music lesson.

It is not the study of music itself, but the study of the art of music that is so important in forming the well-rounded student, no matter what specific field he plans to enter. The study of the art of music begins in the elementary schools and is continued in the junior and senior high school levels.

The John Jay music department has three specific aims in its courses. The first is to develop a broader knowledge and deeper understanding of the part that music plays in all of our lives. The second is to point out the values of the periods in which composers wrote and lived. The final objective is the development of good taste and judgment in the discrimination of music, both in listening and performing. It is important to note that music is not considered an isolated subject by the department; rather, it is a vital part of educational development. Just as a science needs its laboratories to carry out its experiments, so music requires a type of laboratory to experiment with sound. Chorus, Band, and Orchestra are these musical workshops.

In the junior high school, the general music courses are compulsory. These classes are devoted to the primary "building blocks" of music. They have their own band (with Mr. Bramson) and chorus (with Mrs. Lanman) which meet regularly during the week.

Music in the high school is an elective course. We are fortunate to be one of few schools which has a music major. Music Literature and Materials I is designed to provide a general cultural background, but it is not a part of the major sequence. Music Literature and Materials II, III, and IV form the major. They prepare the student for specialized music work, general college study, and conservatory levels of work in music. They meet as regularly as and offer the same number of credits as other major sequences offered in our school.

ATHLETICS

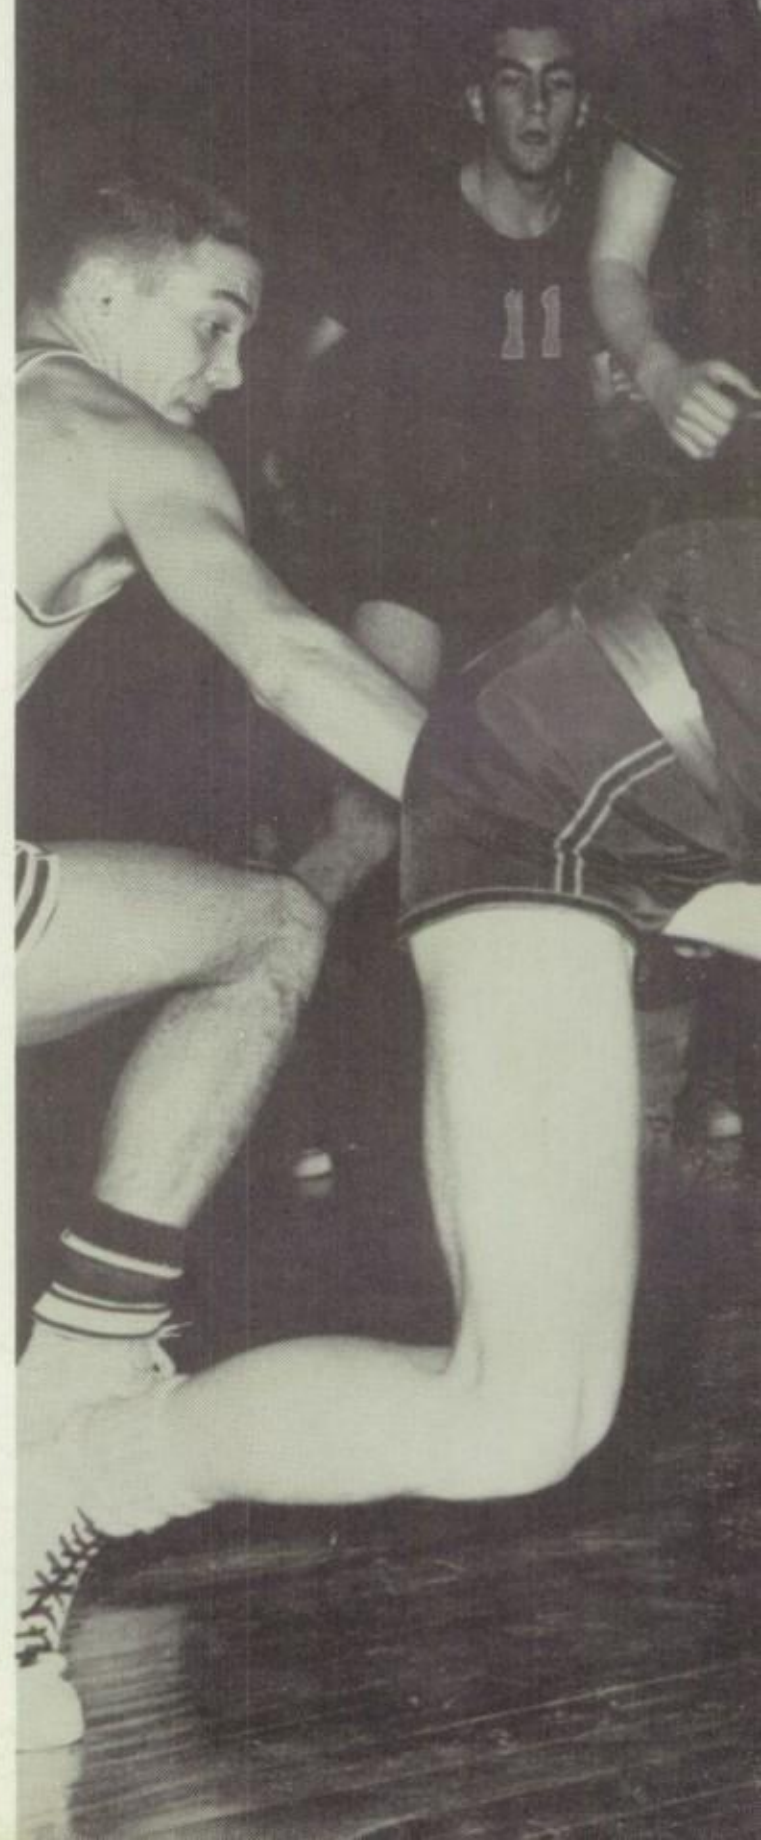

The sports program at John Jay is important in that it enables the student to compete with the right incentive, to accept victory or defeat with equal grace, and to see that teamwork is a necessity in winning a game.

A new fall sport was added at John Jay this year. For the first time, soccer was played in interscholastic competition. A successful series of games resulted in a winning season for our newest team.

The traditional game of football, a favorite at John Jay, had a fairly good season. Students and members of the community were staunch supporters at the games, and even rainy weather failed to dampen the spirit that backed the team.

Basketball was the most successful sport of the year. With Fred Free and Art Covey leading the Indians to triumph, the squad defeated team after team to become league champions.

Spectators and players alike participate actively in our sports program. People watching a school competition make every touchdown, every goal, every basket, right along with the team. The enthusiasm behind the boys has grown this year to the point where a faithful crowd is always on hand to support our teams.

Varsity Football Team: (First row) D. Feener, Coach; T. Antonecchia, M. Bubb, R. Duffy, C. Sammann, R. Smith, T. Evans, J. Hogan. (Second row) A. Meckert, A. Covey, R. Hilton, F. Cable, B. Roberts, J. Srolec, D. Schaefer, D. Craighead, D. Daly. (Third row) M. Todd, Coach; D. Wakeman, G. Sefcik, L. Johannes, D. Brooks, G. Repp, J. O'Brien, R. Mueller, R. Evans, J. Beardsley, R. Swanson, Coach; C. Martens, Manager.

FOOTBALL

Varsity Cheerleaders: W. Sweigert, L. MacAlpine, S. Whalen, K. Free, M. Cantine, B. Jackson, M. Leonard, M. Keeler.

Varsity Schedule

| Date | Opponent | Opp. | J.J. |

| Oct. 20 | Lakeland | 6 | 7 |
| Oct. 27 | at Brewster | 2 | 13 |
| Nov. 1 | at Briarcliff | 6 | 0 |

Junior Varsity Cheerleaders: K. Sheldon, M. Rossow, M. Curran, A. Hardy, B. Cooper, J. Scannell.

Varsity Line - up: A Covey, R.E.; R. Hilton, R.T.; G. Repp, R.G.; J. O'Brien, C.; R. Evans, L.G.; D. Brooks, L.T.; D. Wakeman, L.E.; R. Duffy, Q.B.; S. Smith, R.H.-B.; D. Schaefer, F.B.; R. Mueller, L.H.B.

Varsity Co-captains: J. O'Brien, A. Covey, R. Evans.

The Varsity cheerleaders move in unison across the gym as they lead the school in singing, "On John Jay" at the football pep fest.

FOOTBALL

Bobo M. dives for extra yardage for John Jay in the Lakeland game.

A faithful crowd gives their support to the football team at the rainy Brewster game.

With one of the largest squads in several years, Coach Todd initiated a football offense styled after the one presently being used at Iowa University. Mastering this new offense was our team's big job during the three weeks preceding the first game, and throughout the remainder of the season. The work that Coaches Todd (backfield) and Feener (line) put into shaping up our team this year contributed greatly to our successful season.

The opening game with Dobbs Ferry was a disappointing contest. During the last two minutes of the game, Dobbs Ferry scored the lone touchdown, making the final game score, 6-0.

The Carmel game showed a hard-fighting John Jay squad who tied up the score, 7-7, in the fourth quarter, but were finally beaten by two Carmel touchdowns.

In the third game, we scored twelve points in the first quarter against a weaker Yorktown team. A touchdown for both sides in the last quarter made the score of our first victory, 18-7.

The fourth game matched an inexperienced Ridgefield team against our starting eleven. Scoring two touchdowns in both the first and second periods, John Jay allowed only one Ridgefield score during the entire game.

John Jay suffered its third defeat at the hands of a strong Lakeland team. A fifty-nine yard run climaxed in a touchdown for Lakeland in the first period. John Jay moved ahead in the second period with seven points, but a touchdown midway in the fourth quarter gave the victory to Lakeland.

A driving rain and a sloppy field made the sixth game with Brewster a grueling struggle. John Jay scored four fast touchdowns in the first quarter, and held the opposition to only two scores in the rest of the game.

The victory over Briarcliff, (27-6), in the final game gave John Jay a winning football season.

The J.V. squad, coached by Mr. Swanson, did considerably better than last year, even though they did not have a winning season.

All in all, the Varsity and J.V. football teams did a fine job for John Jay this year, considering the loss of many seniors on last year's team and the institution of the new offense.

The John Jay Marching Band drums up the excitement before the kick-off of the Dobbs Ferry game.

Rob E. drags down a Lakeland player, preventing any added yardage for the opponent's offense.

SOCCER

Burr returns a fast goal kick in the Sleepy Hollow game.

One of the fine additions to our school life this year was the introduction of interscholastic soccer as a varsity sport. The fact that soccer had been played in John Jay gym classes for several years gave our team an advantage over other newly formed county teams and equal footing with experienced teams.

Playing a schedule of eight games, our team displayed a driving spirit which led them to a winning season. One highlight of the season was the victory over Yorktown (2-0) with Fred Free putting the ball through the uprights on a spectacular corner kick. A soggy field containing several patches of ankle-deep water made the hard-fought loss to Sleepy Hollow a memorable event. At the end of the season our team was represented on the Westchester County All Star soccer team by two outstanding players: center halfback Colin Martin and goalie Pete Schuyler.

It is a credit to our school, to Coach Boissy, and to the players that the first of John Jay soccer teams enjoyed a successful season.

Soccer Team: (First row) J. Bartsch, J. Ruane, I. Carr, D. Parker, J. Curtis, T. Martin, T. Dworkin, D. Farquhar. (Second row) E. Jamroga, B. Kelly, J. Finucane, C. Murphy, F. Ripperger, B. Nash, C. Martin, B. Wallen, S. Kellogg. (Third row) W. Wilson, B. Parker, B. Mrazik, P. Schuyler, F. Free, B. Brown, A. Wright, G. Johnson, R. Boissy, Coach.

GIRLS' FALL SPORTS

Varsity Hockey Honor Team: (First row) J. Nye, E. Smith, D. Bryan, Coach; M. Cantine, S. Meyer. (Second row) B. Sammann, S. Owen, B. Rhodes, N. Schutte, J. Hussey, R. Roberts.

Out on the hockey field on a late September day Miss Bryan cried "Action girls!" as once again the hockey season was in full swing. While participating in the intramural competition, the new hockey enthusiasts fought diligently with the more experienced as they prepared for honor competition.

After a series of intramural games the top thirty-three girls were selected for the honor team. In spite of the few practices (caused by the bad weather and the lateness of the season) the teams managed to play several keen contests with girls from other Northern Westchester high schools.

Our hockey squads had fair seasons — the J.V. team winning two out of three games, and the Varsity winning one out of three. Among the more outstanding players was Judy Murray, a hard-hitting J.V. wing who sparked several goals in competition play.

During the hockey game with Fox Lane, Bonnie W. drives for a goal as the opponents protect the cage.

Junior Varsity Hockey Hono. Team: (First row) K. Grimshaw, K. Kelly, E. Griswold, J. Rice, P. Rossow. (Second row) W. Smith, J. Murray, B. Williams, A. Hardy, C. Stingel, L. Freudenheim. (Third row) R. Brant, I. Udoh, B. Williams, K. Ringstrom, E. Moore, S. Sefcik, M. Dillon.

Varsity team: R. Sadai, R. Duffy, D. Ritchie, B. Mueller, F. Free, G. Repp, K. Clarke, R. Hilton, K. Williams, D. Schaefer, B. Boissy, Coach.

Our cheerleaders lead the crowd in encouraging the Varsity team as we pulled ahead in the Chappaqua game.

BASKETBALL

Richie Duffy, Bobo Mueller, and Art Covey, Co-captain.

Fred Free, Co-captain.

Dick Hilton, Greg Repp, and Ken Clarke.

BASKETBALL

Greg R. passes the ball to Fred F. through the hands of a Briarcliff player.

Fred F. snatches the rebound in the game with the Northern Westchester coaches.

Mr. Witte frantically grabs for the ball as Charlie J. passes it to Bill C. in the Faculty-J.V. game.

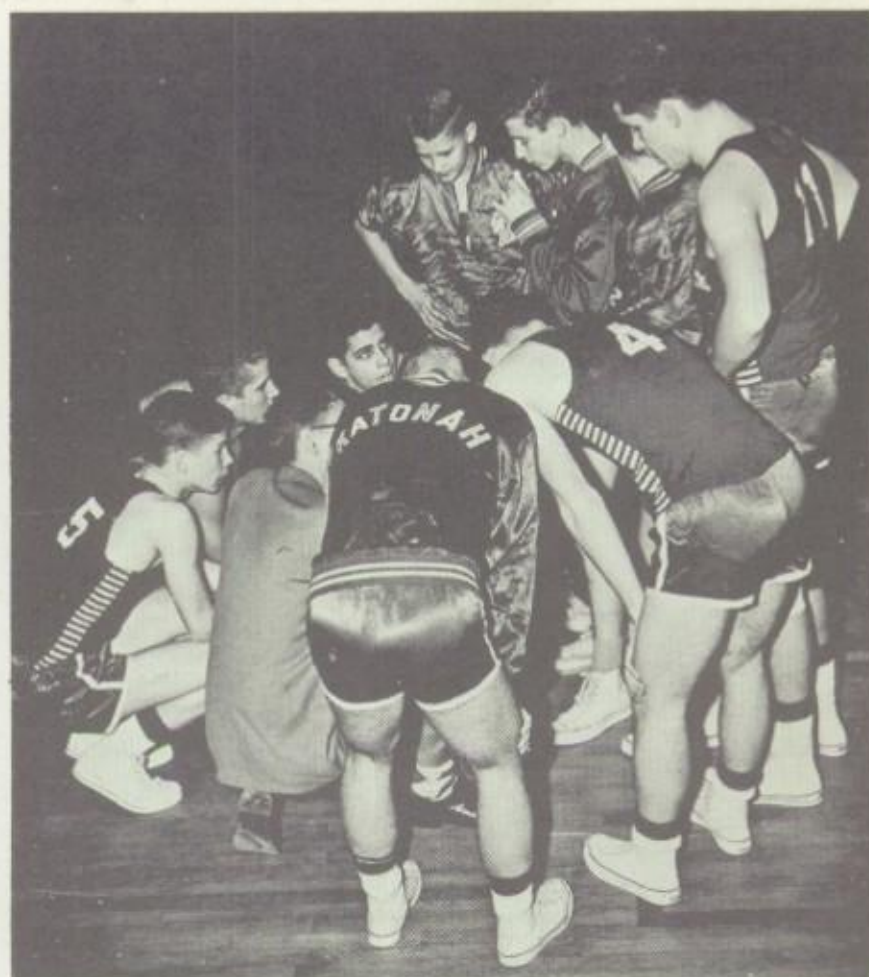

Center Fred F. jumps for the ball at the beginning of the Briarcliff game.

Coach Boissy explains the mistakes of the Fox Lane game to the team in an early practice.

Varsity Co-captains: Fred Free and Art Covey.

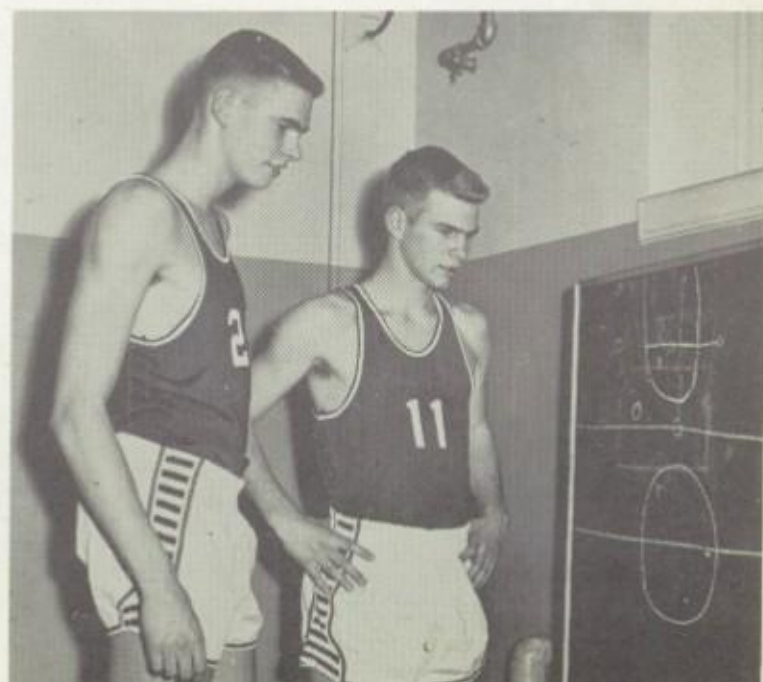

The members of the J.V. basketball team huddle around Coach Swanson to receive last minute instructions for the game.

It has been tradition at John Jay to turn out top-notch basketball teams, and this year's squad was no exception. The team met the challenge by building a fast-break scoring offense and a tight defense with the help of Coach Bob Boissy.

The basketball season began with an hilarious game in which the J.V. squad was defeated by the John Jay faculty while the varsity beat a team of northern Westchester coaches. Mr. Feener's backward, over-the-head field goal was the highlight of the evening.

The first league game at Fox Lane showed a John Jay team who had not yet gained the polish of consistent teamwork. After this defeat, however, the team managed to win every game in N.W.I.L. play. The fast break nucleus of Fred Free rebounding and Richie Duffy putting it in provided a reliable scoring combination for John Jay. Displaying a cooperative team spirit, the John Jay five overcame Fox Lane in the home game and clinched the league victory in the Somer's game.

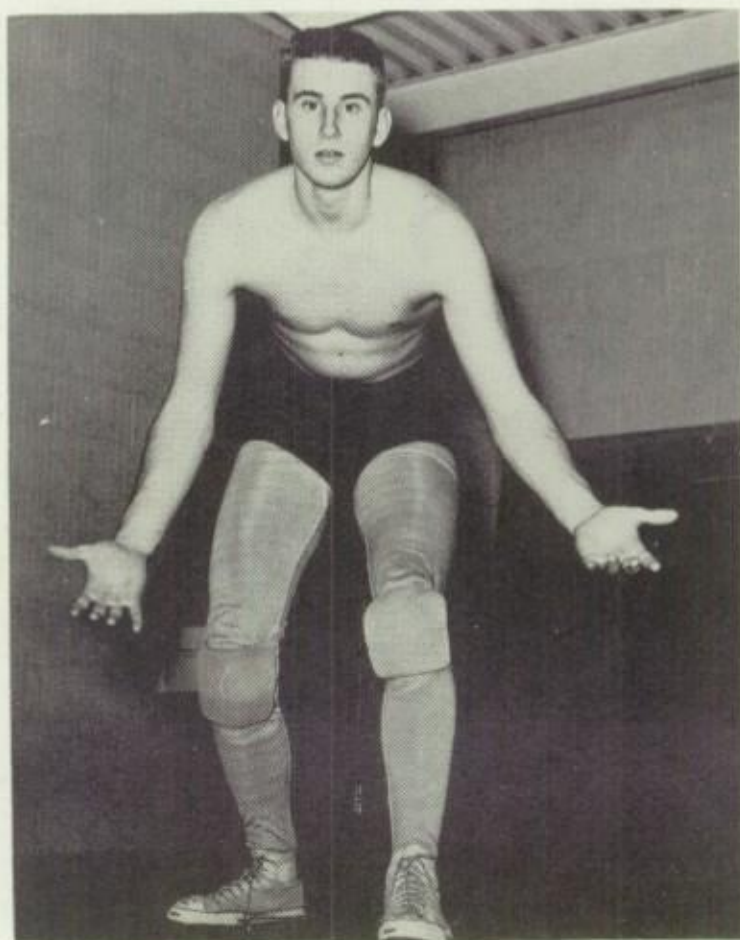

WRESTLING

Although the wrestling team was not able to maintain last year's record, it did come up with a winning season. Because we lost three of last year's wrestlers due to graduation and ineligibility, and because of constant illness and injuries, the team was somewhat weakened. Our wrestlers are looking forward to participating in the Section I Tournament and the Northern Westchester Invitational Tournament, where some of the outstanding wrestlers hope to win trophies. The team will lose the following wrestlers next year: Bert Nye, Dan Fast, Alphonse Wright, and Rob Evans, this year's captain.

Eric G. fights to pin his opponent during the Yorktown match.

Team captain Rob E. invites opposition in a wrestling practice.

GIRLS' BASKETBALL

The girls' intramural basketball tournament began in the early part of January. From the ability of the girls shown during the competition. Miss Bryan was able to select the twenty-three members who comprised the honor team.

The members of the squad practised zoning and numerous plays two days a week, and in early March they were ready to play their first game. The basketball schedule included games with Somers, Yorktown, Fox Lane, and Briarcliff.

J.V. Basketball Honor Team: (First row) C. Orth, M. Keeler, M. Dillon. (Second row) Doris Bryan, Coach; P. Strong, J. Nye. (Third row) K. Kelly, E. Moore, L. Geisen.

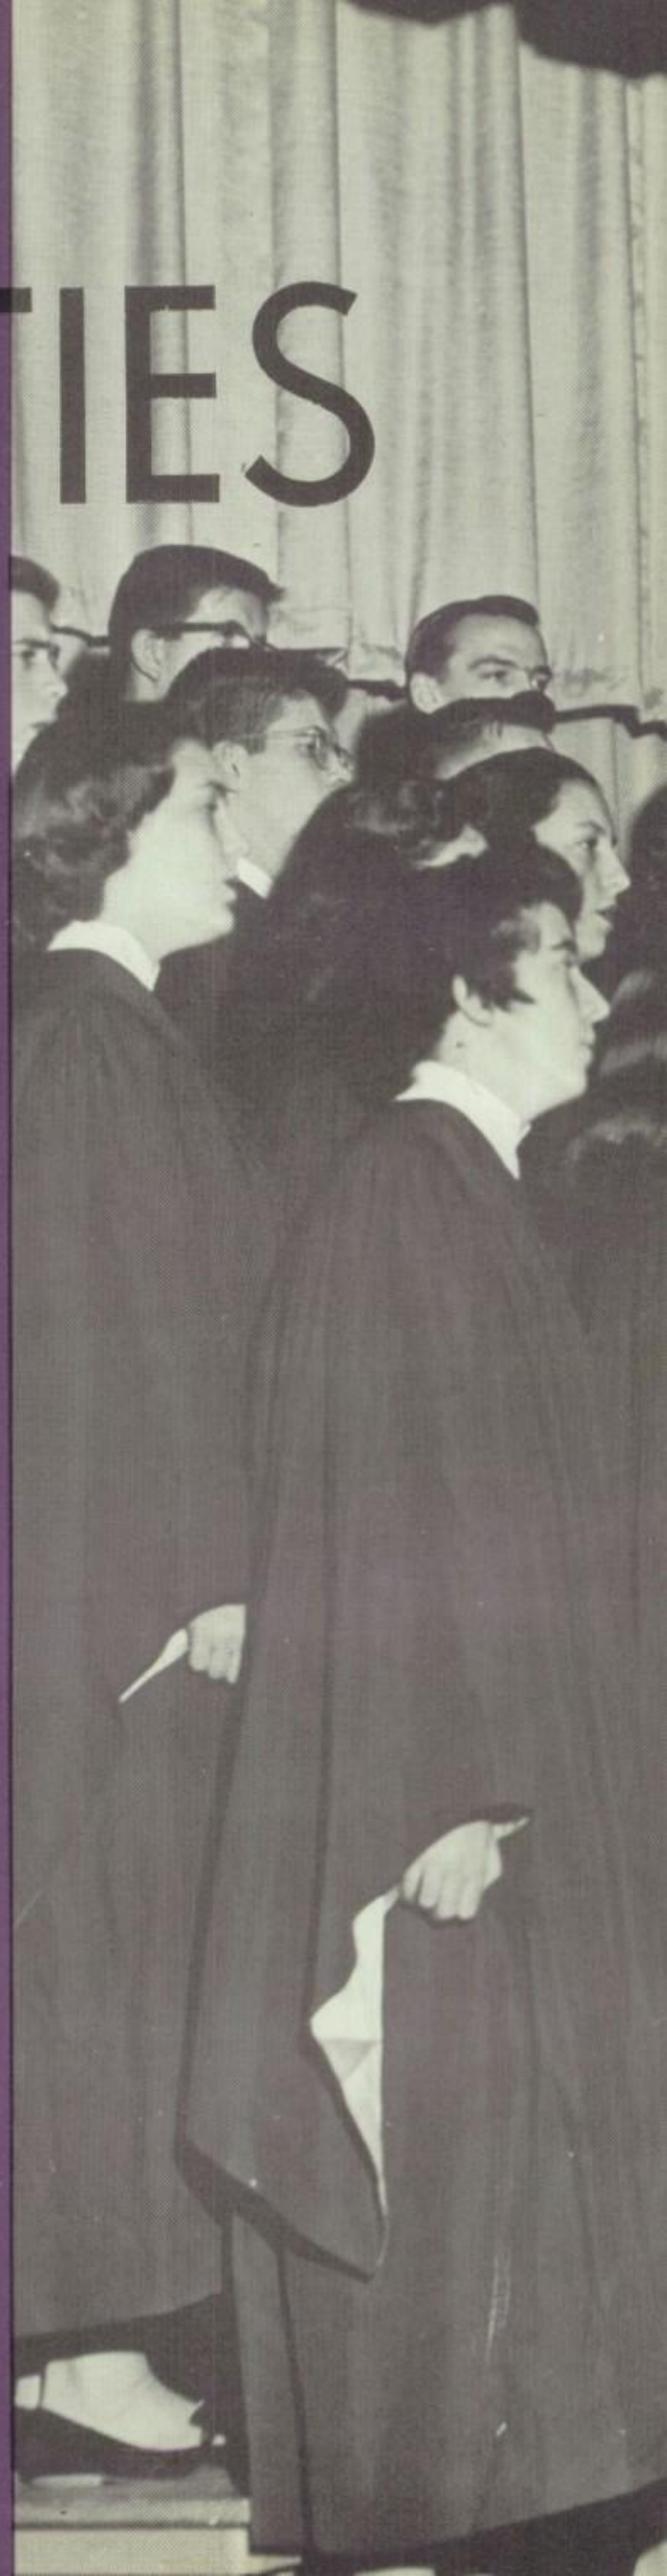

Varsity Basketball Honor Team: (First row) N. Schutte, L. Lewis, B. Jackson. (Second row) E. Smith, M. Cantine, K. Sheldon, J. Matthews, C. Stingel, J. MacPhail, B. Williams, J. Green. (Third row) Doris Bryan, Coach.

ACTIVITIES

The activities program is a phase of school life that is of interest to every John Jay student. Learning to cooperate and accept responsibility is an education in itself; whether working on decorations for "Bali-Hai," ushering at an assembly as a Key Club member, or striving for senior privileges, one gains the opportunity to contribute his time and ingenuity for the betterment of the school.

In the past year John Jay has broadened its scope of extra-curricular work. In mid-winter the wrestling team, the Senior Play actors, the basketball squad, the Yearbook staff, the Purple Patch members, the Marco Polo cast, the cheer-leading group, the girls' basketball team, the Student Council, and the Key Club all progressed with no serious complications.

This is John Jay in all its action, in all its enthusiasm. Participation in publications, plays and organizations are ideal ways to contribute to the school while developing an interest which may last a lifetime.

After reading the minutes of the previous meeting to the Student Council, Secretary Mollie K. brings up a point in the discussion of new business.

The aim of every student council is to extend self-government in the school and provide for the general welfare of the students. The John Jay Student Council is certainly based on these democratic ideals.

The main objective of the Student Council this year has been the institution of better school spirit—not only at athletic events but also in the various phases of everyday school life. As a result of the campaign, the basketball season was punctuated by record attendance and enthusiasm at home games.

The emphasis on school spirit also affected the Honor System, which was introduced at John Jay two years ago. Steps were taken to revise and improve the system so that it might be followed and respected by everyone in the school.

Student Council Officers: A. Wright, Treasurer; B. Jackson, Vice-president; A. Meckert, President; M. Keeler, Secretary; D. Schaefer, Minority Leader.

STUDENT COUNCIL

One of the Student Council's major financial undertakings of the year was the co-sponsorship (with the Katonah Rotary Club) of Nino Matina, our American Field Service student from Italy. In order to raise the necessary funds, the Council sponsored a "Campus Queen" contest. From eight candidates (two selected by each high school class) one was chosen "Campus Queen" according to the amount of money she received in balloting during a two week period.

Three additional accomplishments of the Council broadened its scope of activity at John Jay. For the first time our school store, "The Hole in the Wall," sold jackets especially made for John Jay. They were soon a familiar sight on campus. Secondly, the Student Council sold a variety of refreshments to the crowds at the home football games. The Council also presented "Harvest Holiday," a semiformal dance which proved to be a great success. The financial burden of the dance was undertaken by the high school classes, who participated in the preparation and afterwards split the profits equally.

Taking an increasingly active part in our school community, the Student Council is growing in its importance to the individual John Jay student.

Student Council: (First row) M. Hirning, C. Quinn, J. Rice, F. Murray, P. Beardsley, A. Poppelauer, S. Shepperd, M. Keeler, G. Thompson, I. Udoh, D. Bartel. (Second row) Mr. Lawler, Adviser; J. O'Brien, S. Lantry, J. Elder, K. Sheldon, B. Smith, D. Perry, B. Jackson, S. Lewis, B. Rhodes, K. Free. (Third row) D. Vockins, R. Evans, D. Ritchie, R. Owen, J. Beardsley, W. Covey, D. Jenkins, R. Brant, R. Sheldon, A. Covey, D. Schaefer, A. Wright. (Absent) A. Meckert.

Junior High Student Council: (Seated) F. Murray, E. Helmes, H. Lanigan, D. DeMarco, S. Covey, D. Christian, V. Eastman, R. Rummler. (Standing) P. Beardsley, D. Dunsmoor, T. Rowedder, C. Martens, J. Howell, A. Fiacco, J. Gerardi.

As their adviser, Mr. Noyes, looks on, the members of the Junior High Student Council think about a problem confronting them.

Junior High Student Council Officers: P. Beardsley, Treasurer; R. Rummler, Vice-president; F. Murray, President; J. Howell, Secretary.

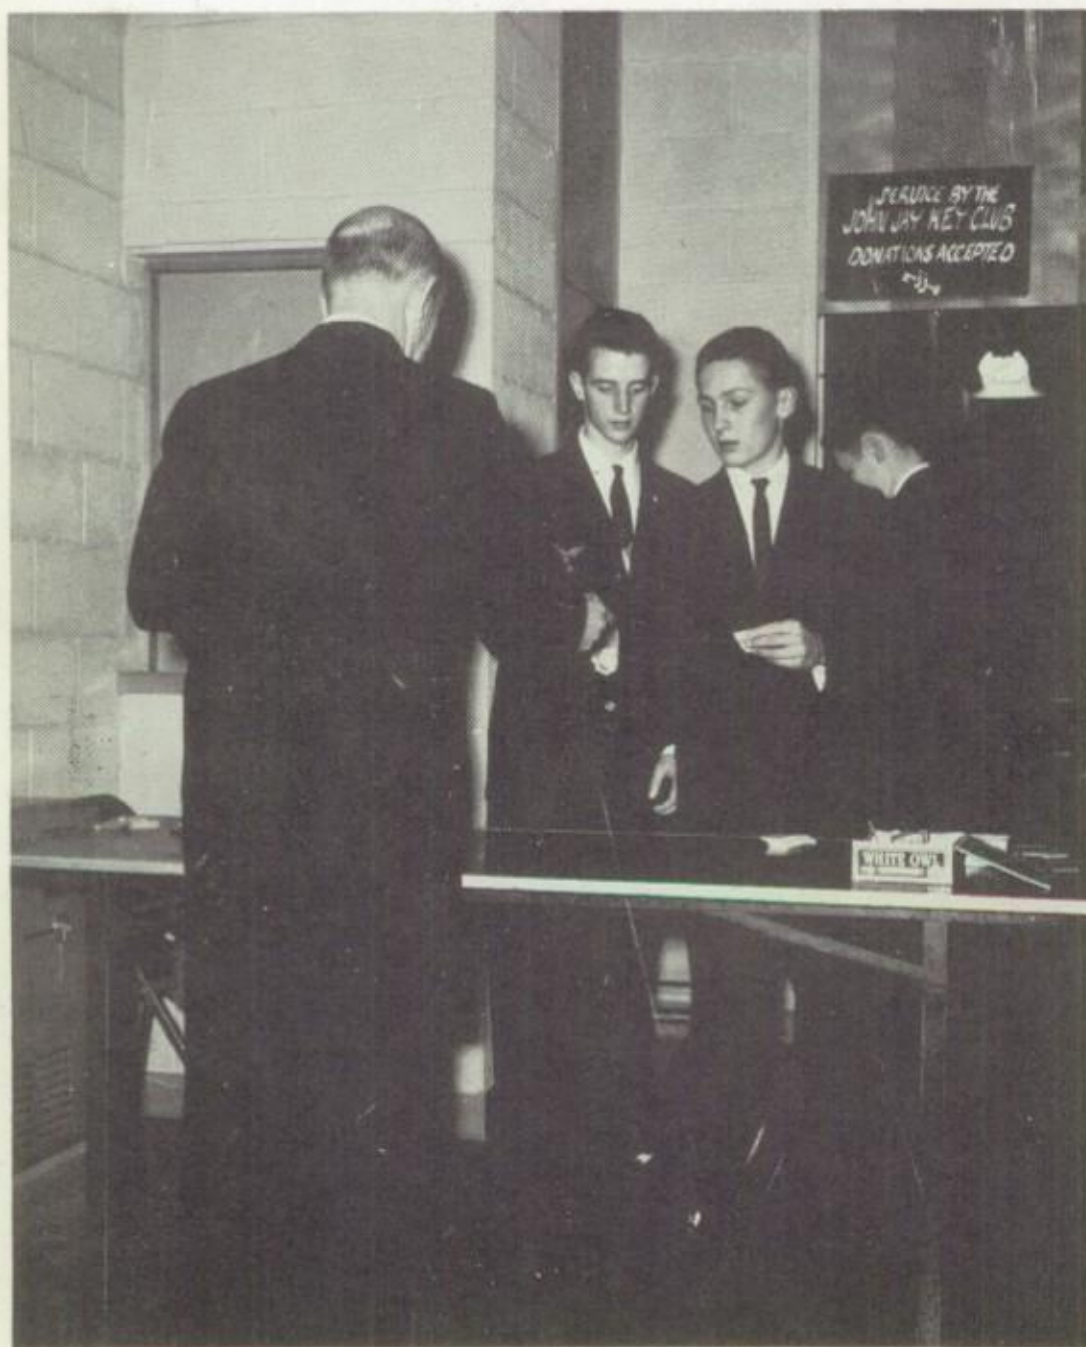

Bill C. sells Steve K. a John Jay sweatshirt, one of the many articles offered at the "Hole in the wall," our school store.

Student Faculty Relations Committee:
(First row) A. Wright, Chairman; Mr. Lawler, Mrs. Shechner, Mr. Henriquez, Mr. Sporborg, Mr. Noyes. (Second row) J. Rice, A. Poppelauer, D. Schaefer, R. Evans, D. Ritchie, J. Beardsley, S. Lewis, G. Thompson.

STUDENT COUNCIL-SPONSORED ACTIVITIES

Burr W. and Tom E., two members of the Key Club, check the coat of a member of the community at the John Jay P. T. A. Birthday Ball.

A grey hat and a pair of soiled gloves were the only reminders that the girls' locker room had been filled with coats on the previous evening. The five worn-out members who assisted President Burr Wallen in checking coats at the John Jay Birthday Ball could have reason to be proud, however, for they had provided a service necessary to the success of the ball and had netted a tidy sum for the club treasury.

In a similar way, the Key Club has accomplished a variety of services for the school this year. Chosen from a group of volunteering students by a committee of faculty representatives and Student Council members, the Key Club members act as guides, hosts, ushers, and, at times, a clean-up crew.

At this year's annual Northern Westchester College Conference they arranged conference groups, checked on the placement of conference signs, and guided the throngs of Westchester students who attended to the right buildings.

They also helped our parents pass from class to class at the P.T.A. Open House and ushered at several school assemblies. During the basketball season the purple and white Key Club armbands could be seen at home games.

In the early spring the Key Club initiated the idea of having a member in the foyer of the administration building during the day to act as a student host and messenger. In doing this, the Key Club added another activity to the many services it performs for the school.

Key Club: (First row) K. Shortall, R. Stone, R. Evans, Treasurer; B. Wallen, President; K. Melahn, Vice-president; S. Whalen, Secretary; W. Sweigert, J. Sharpe. (Second row) A. Hardy, C. Orth, N. Rafferty, L. Becker, D. Valentino, B. Sammann, S. Sefcik, B. Burr, B. Mueller, C. Flood, T. Evans, T. Helmes, J. Chaskes, P. Sullivan.

The Student-Faculty Relations Committee was formed this year by the Student Council with the intention of bettering the relations between the pupils and teachers at John Jay. Two members of each class were chosen from the Student Council to represent the students, while several teachers who have contributed much to the student body agreed to join the committee.

During the year the Student-Faculty Relations Committee has discussed a variety of problems which affect our school community. Among the topics which have been covered are the cafeteria service, lunch-time recreation in the gym, the school paper, the student lounge, and senior privileges.

At a morning meeting of the Key Club, Vice-president Karen M. asks for volunteers to usher at an assembly for the foreign students.

At the end of a Student-Faculty Relations Committee meeting Chairman Alphonse W. summarizes the discussion of the cafeteria service.

Senior Choir: G. Adams, D. Abbey, H. Alonzo, P. Amrhein, J. Andrews, A. Arena, B. Balgooyen, E. Barker, D. Bartel, I. Bartz, A. Bauer, J. Beardsley, L. Becker, K. Beuinn, B. Blackley, J. Boissy, G. Maples, D. Dworkin, R. Farebrother, L. Cohen, R. Elliott, A. Addis, G. Burt, S. Easterbrooks, D. Reid, G. Preble, W. Taylor, L. Hulett.

During an early morning meeting just before the Purple Patch deadline, Jeanne H., Mollie K., and Jack O. work to finish copy.

Purple Patch Editors: (Seated) E. Gordon, Photographer; J. Hussey, Feature Editor; Mr. A. Bachrach, Adviser; S. Suhler, Editor; J. Rice, Junior High Editor. (Standing) B. Smith, Layout Editor; J. O'Brien, Sports Editor; M. Johnston, Business Manager. (Absent) J. Hart, News Editor; M. Leonard, Class News Editor.

The newspaper of our John Jay campus, *The Purple Patch*, has become an increasingly important factor in school activities during the past year. In this, its second year of publication, the *Patch* has widened its scope of news coverage and doubled the number of members on its staff.

The *Purple Patch* has served as a means of expression for the entire student body of John Jay. The production of this bi-weekly newspaper is handled by students representing their respective classes. This provides an opportunity for pupils interested in journalism to gain practical experience.

The newspaper presents not only the activities of

the various classes but also those of the student body as a whole. It is made more interesting through its human interest qualities. The popular feature articles are "Boy and Girl of the Week", "Rock 'n' Roll Romances", and "Can You Imagine?"

The *Purple Patch* also serves to better our community relations by informing the public of the many worthwhile activities of our school. However, its main objective is still to keep the student body abreast of all school activities. Finally, as a strong focus of campus interest, the *Patch* provides the opportunity for the expression of opinions and both good and bad criticism by the members of the student body.

PURPLE PATCH

Purple Patch Staff: (First Row) E. Gordon, J. Hart, J. Quinn; B. Burr, S. Suhler, J. Rice, M. Johnston, J. Randell, M. Leonard, P. Schuyler. (Second Row) B. Neukirch, J. Murray, C. Stingel, D. Jones, D. Taylor, J. Sharpe, W. Hayden, L. Cohen. (Third Row) S. Swanson, S. Sheppard, G. McGrath, M. Krezeminski, L. Freudenheim, I. Udoh, S. Sadai, B. Shoobe, P. Bradley. (Fourth Row) B. Cornell, J. Lawrence, L. McCormick, E. Smith, S. Quinn, M. Spreitzer, L. Sumner, J. Green, R. Brant. (Fifth Row) S. Lantry, J. Hussey, F. Durham, J. Suhler, G. Covey, D. Rice, T. DiPadova, J. Chaskes.

YEARBOOK

Many seniors this year were involved in the creation and production of John Jay 1959. At the annual yearbook conference in New York City, the co-editors, Linda Lewis and Burr Wallen, the Photography editor, Dick Sadai, and the Girls' Sports editor, Elaine Smith, attended a series of discussions in which the techniques for a good annual were presented to students from all over the country.

By mid-November the separate committees were deep in their work. Senior pictures were taken and copy was written. After the Christmas holidays meetings became more frequent until by the middle of February the staff met every afternoon to work on layout and copy and to argue over captions and editorials.

Problems were met and dealt with — a policy of writing had to be set, a theme had to be created and followed, and pictures had to be lightened for correct contrast.

Through all the hard work of long meetings and rushed days emerged our yearbook, the story of our senior year at John Jay.

Staff Editors: (First row) J. O'Brien, Boosters; L. Lewis, B. Wallen, Co-editors; D. Sadai, E. Gordon, Photography. (Second row) P. Durkin, Layout; M. Keeler, Sales; D. Schaefer, Photography; B. Brown, R. Evans, Sports; B. Piller, Production; E. Smith, Sports.

Nancy R., Miss Courreges, and Pat D. finish a page of the dummy as Burr W. rewrites copy at an afternoon yearbook session.

Layout and Editorial Committees: (First row) R. Mrazik, C. Flood, N. Rafferty, P. Durkin, S. Meyer, S. Kellogg. (Second row) R. Evans, B. Sammann, M. Maas, J. Hart, B. Jackson, M. Cantine, B. King, B. Brown.

Sales and Production Committees: (First row) L. Luepke, D. Valentino, B. Williams, L. MacAlpine, M. Keeler, C. Hayes, L. Becker. (Second row) J. Piatt, D. Taylor, B. Piller, D. Elliot, A. Arena, D. Jones, M. Leonard, J. Green, P. Amrhein.

Booster and Photography Committees: (First row) J. O'Brien, C. Orth, P. Schuyler, G. Covey, A. Wright. (Second row) D. Schaefer, L. Gerstel, N. Schutte, J. Randell, K. Melahn, F. Cable.

SENIOR PLAY

Bob M. assists Jimmy A. as he saws a piece of wood during the construction of the set for the play.

Mr. Smith applies the makeup to Dave Raboy's mask of death before dress rehearsal.

Mr. Smith, our director, explains the way a scene should be acted to Dave R. and Sally M. in one of the first rehearsals.

Directors and Crew: (First Row) J. Arena, B. Mrazik, D. Benish, B. Sammann, Mrs. Shechner, Director. (Second Row) M. Johnston, P. Etzold, Mr. Henriquez, Director; E. Smith, G. Covey, Mr. Smith, Director.

Assistant Director Barbara S. follows the play with her prompt book.

The entire cast of *Death Takes a Holiday* complete the setting of the Villa Happiness.

On March 7, 1959, the Senior Class of John Jay presented *Death Takes a Holiday*, a fast-moving, philosophical, and sophisticated comedy in three acts, to the members of the community.

Before the final performance could take place, the cast had to spend six weeks in rehearsal under the direction of Mr. Smith, who gave them the full benefit of his experience, ability, and sense of humor. They began as amateurs with no conception of what a professional performance involves. After several rehearsals, however, the actors soon learned how to react to the situations as they worked over their lines and scenes.

Everyone from the actors to the stagehands realized how fortunate they were to have the guidance of Mr. Smith, Mr. Henriquez, Mrs. Schechner, and Miss Courreges. The cast felt a gratifying sense of satisfaction as they pieced the play together, saw the dramatic sets rising and the acting improving. Dave studied his long and numerous speeches, Sally practiced her scream and Jackie and Pete aged rapidly.

Long before the last rehearsal arrived, the class had realized that the time and effort that was being put into the play would be well repaid by the sense of accomplishment they would secure from the final presentation.

Cora — Dolores Taylor
 Fedele — Charlie Flood
 Duke Lambert — Fred Cable
 Alda — Mieke Maas
 Duchess Stephanie — Barbara Piller
 Princess of San Luca — Jackie Hussey
 Baron Cesarea — Pete Schuyler
 Rhoda Fenton — Barbara Rhodes
 Eric Fenton — Ed Rhomer
 Corrado — Bob Brown
 Grazia — Sally Meyer
 Prince Sirki (Death) — Dave Raboy
 Major Whitread — Steve Kellogg
 Assistant Director — Barbara Sammann
 Costume Committee (chair.) — Bev Jackson
 Props (co-chair.) — Karen Melahn, Mary Johnston
 House — Burr Wallen
 Stage — Jim Arena
 Business — Kim Williams
 Publicity — Mollie Keeler

Duke Lambert (Fred Cable) does not yet know that Death (Dave Raboy) has arrived.

Grazia (Sally Meyer) explains her feelings to Prince Sirki (Dave Raboy) in a moving scene in our senior play.

CALENDAR

As we look back on the past months, certain events stand out as being milestones marking the progress of our school year.

Fall brought football hopefuls out on the field every afternoon, brought a rush of class parties and most welcome of all, brought Nino, who with his dry humor and comment made assemblies a welcome event in the school day.

With winter came increased encouragement for the basketball team. This attitude mounted through the season until by mid-winter all John Jay was swept into a great wave of enthusiasm.

Johnny, from England, and Gus, from Greece, were our two Herald Tribune Youth Forum delegates this year. For two weeks they were an important part of our school life. In one of our finest assemblies they compared their views on American education with those of several John Jay seniors.

The months went by rapidly, and each passing day brought the students nearer the conclusion of another school term. We know that the events and the traditions of the year have made our life at John Jay a unique experience.

EX LIBRIS

LIBRARY

EX LIBRIS

JOHN JAY

ate your preference
library is provided for
selection

AT FIRST,

Margaret C. and Fred F. enjoy picking out their personalized senior "socks" at the Senior Sock Hop.

Barbara S. "files" the tagged pairs of shoes at our first senior dance.

At the annual Columbia Scholastic Press Conference in New York City, Linda L. and Burr W. examine the Medalist year-books to get ideas for John Jay 1959.

Jeanne H. tries to find her pair of shoes in the maze at the sock hop.

A WELCOME FOR NINO

An Edgemont High School dramatics group presents a light comedy for our amusement.

A group of parents experience the routine of morning attendance as Mr. Smith takes roll at the Parent-Teacher's Association Open House.

"Nino" M. expresses his delight at a familiar sound when Jimmy A. welcomes him in Italian at our party in his honor.

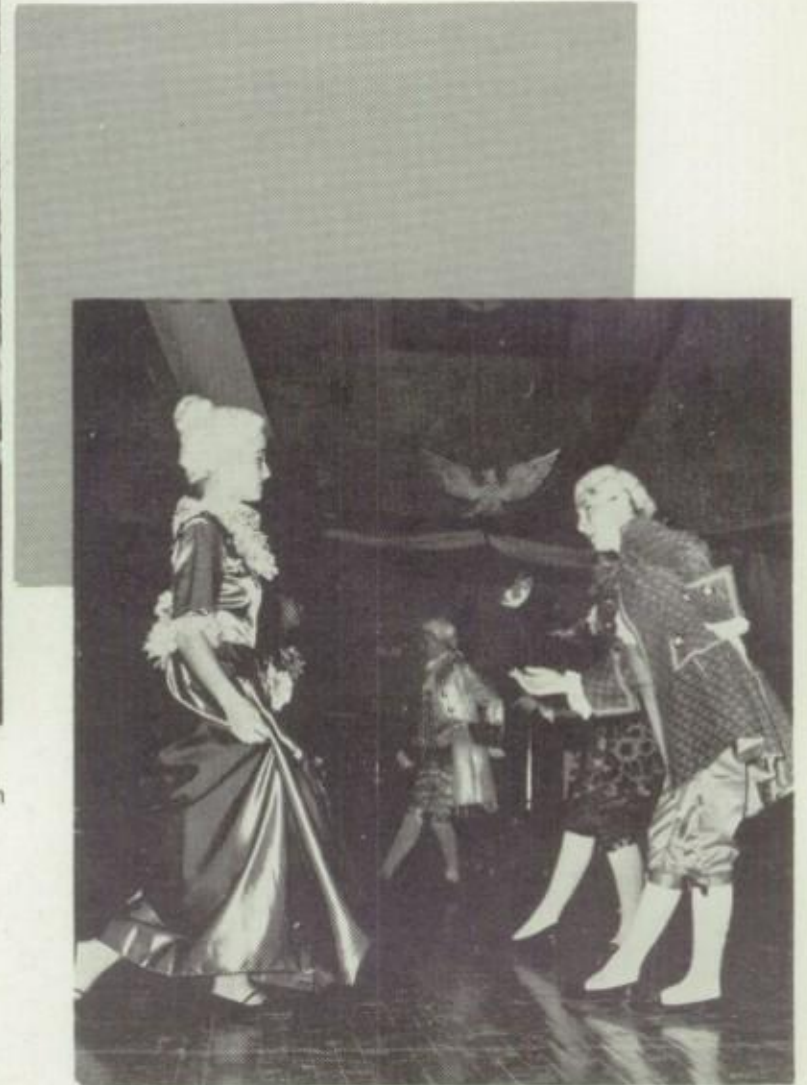

Pete S. assists the Bell Telephone representatives in a demonstration of the principle that radio waves travel in straight lines, at an informative assembly.

THE FUN OF

High school young ladies in colonial dress retire from an elegant minuet which entertained the members of the community at the John Jay Birthday Ball.

Mieke M. curtsies to Elaine S. as they perform the minuet at the PTA ball benefiting the Library Fund.

Spotlights and decor combine to make an atmosphere of festivity during the Anniversary Ball.

Kim W. and Bob B. are fascinated with the drummers at the Harvest Holiday Dance sponsored by the Student Council.

HOLIDAY TRADITIONS

Marie L. pauses between dances with Steve K. at the Ball, to pick up a few pointers to improve her drumming style.

Ted D. portrays Marley's ghost in a moving scene from "Christmas Carol" presented by the dramatics group directed by Mrs. Lanman.

Several Junior High school students anticipate the fun of opening presents at their class Christmas party.

Rob E. places his gift on top of the many presents donated by J. J. students for underprivileged children.

In the last period of the annual College Conference, a group of Westchester girls listen intently as a representative describes MacMurray College life.

GUS AND JOHNNY

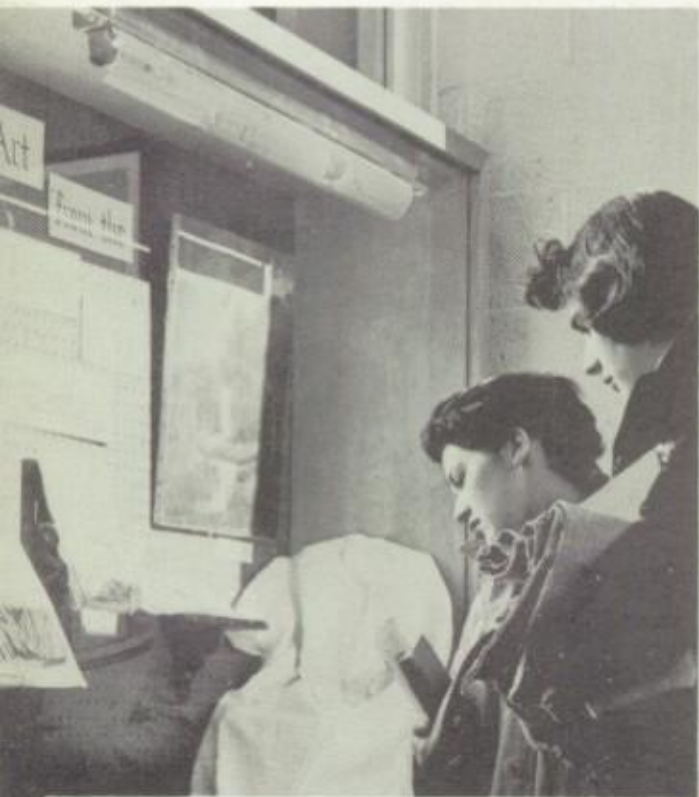

One of the striking sports posters designed by Steve K. emphasizes the drive for better school spirit to Charlie J.

Gus and Johnny, our two Herald Tribune Forum delegates from Greece and England, visit Mr. Geddes' senior physics class to learn the American high school approach toward science.

Preceding an assembly to introduce the foreign students to the school, Fred C. carries on a lively discussion with the seniors in the front row with Dick H., Gus F., and Johnny G.

ON THE CAMPUS

Mr. Noyes, our junior high Guidance Counselor, conducts a discussion at an assembly for the seventh and eighth grades.

The Drew University Glee Club gives us a taste of college chorale music.

Several teachers enjoy a moment of relaxation at the end of a long January day.

Nadia Balbaa from the United Arab Republic, Catherine Marin from France, Mariam Daftary from Iran, and Phan Lan from Viet Nam prepare their ideas for their Youth Forum speeches in the John Jay library.

John Jay hosts say goodbye to their foreign students before the delegates board the bus for the Forum in New York.

Mr. Howard B. Mattlin, of the N.Y.U. Graduate School, Brother Arnold of Manhattan College High School, Robert Paris of Simpson Senior High School, and Ira I. Berman of Madison High School, discuss the notes they took during the school day.

For the second year, John Jay High School was the base of operations for rehearsing the annual Herald Tribune Youth Forum. Thirty-five lively teenagers from different countries were our guests for the week of March 14th to the 21st.

The library served as the study center for the delegates. Enthusiastic debates flourished as the students prepared material for their program in New York City.

The visiting delegate program was an important addition to the school curriculum. Evaluating the ideas acquired in American classrooms with those of students from various nations proved a stimulating experience for John Jay students.

During that same week, sixteen members of the Middle Atlantic States Association for the evaluation of secondary schools visited our school for three days to sit in on classes, interview students, and inspect the workings of the school.

Adolfo Crosa from Argentina begins the introduction of the Youth Forum foreign students at the dress rehearsal of the Herald Tribune Forum at John Jay auditorium. On the following day, the Forum was presented at the Waldorf Astoria in New York City.

J.V. Baseball Team:
 (First row) J. Beardsley, B. Boisy, R. Black, F. Blaney, G. Palmer.
 (Second row) J. Finucane, T. Evans, S. Kaufmann, D. Baur, F. Hoerauf, H. Niles.
 (Third row) J. Demetrops, J. Thibdeau, T. Helmes, B. Covey, B. McClair, G. Preble.
 (Fourth row) D. Faeber, Coach; M. Buba, R. Covey, J. Hogan.

Dave S. hits a liner to third base in the first St. Mary's game.

In spring drills this year's baseball team showed how anxious it was to win a fifth consecutive N.W.I.L. championship. Led by six returning lettermen, the team showed strength at almost every position. Art Covey at shortstop, Ray Smith at second base, and Richie Duffy at third form a tight infield. Newcomer Danny DiPace has proven himself worthy of the starting role at first base.

The John Jay outfielders sport some fast-running and hard-hitting drive. At the beginning of the season, Ricky Zuccaro, Doug Ritchie, Bobo Mueller, Jack O'Brien, Dennis Brooks, Skipper Close, and George Johnson competed for the three positions.

Dennis B. races the throw to first base in the St. Mary's game.

BASEBALL

Varsity Baseball Team: (First row) M. Todd, Coach; R. Duffy, A. Covey, R. Smith, D. DiPace, B. Mueller. (Second row) S. Close, D. Brooks, J. O'Brien, D. Ritchie, R. Zuccaro. (Absent) D. Schaefer.

During an afternoon track practice, Art M. and Dick H. work on their sprints.

Dick H. prepares to break his fall as he high jumps in an early track practice.

The John Jay track team has grown this year into a squad which has strength in several areas. In distance running competition, half-miler Dan Daly is ready to better his strong record last season. Art Meckert, Chris Hayden, Bill Barker and Dick Hilton form a promising foursome for the relay and the shorter running events.

In the area of field events, we have two discus heav-

ers, Al Wright and Bill Barker, who should compete favorably against the other N.W.I.L. field men. In addition, Chan Rudd has brought his tumbling skill to the pole vault successfully.

Coach Gibson and Coach Swanson gave the team a month of hard practice before the first meet on April 22 with Greeley.

Track Schedule

Sheldon, T. Lawrence, B. Balgooyen, R. Kelly. (Third row) R. Hilton, J. Bogardus, E. Gordon, G. Mitchell, L. Johannes, T. DiPadova, J. Suhler, R. Hilton, A. Wright, A. Meckert.

Varsity Golf Team: J. Parker, A. Wright, F. Free, C. Murphy, B. Brown, K. Williams.

GOLF

Kimy Williams takes a practice swing before teeing off in golf practice.

Our John Jay golf team will again be under the sponsorship of Coach Tom Collins this year. Holdovers from last year (Kimy Williams, Fred Free, Al Wright, Bill Parker, and Chan Murphy) and newcomer Bob Brown show a great deal of promise for a successful season.

Our varsity tennis squad has joined this year with Fox Lane, Horace Greeley, and Briarcliff to form a Northern Westchester tennis league. Freshman Steve Freudenheim has added his speed and accuracy on the courts to the team.

CAMPUS QUEEN

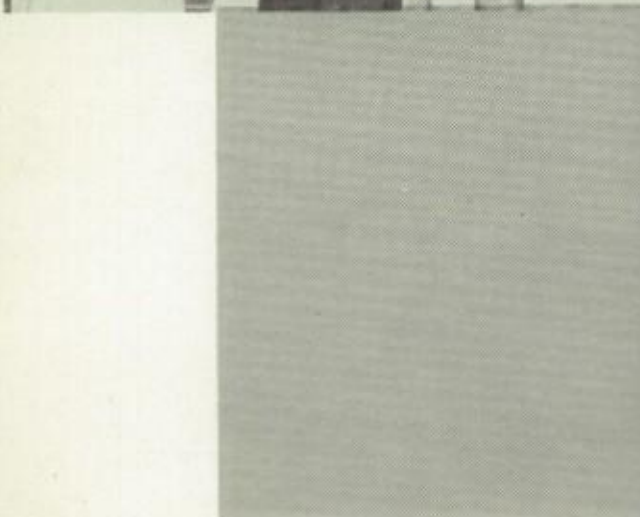

In connection with the sponsorship of Nino Mattina, the American Field Service student from Sicily, the Student Council decided to support a Campus Queen contest, in which each senior high grade would elect two girls to represent their class in the contest. Peggy Rossow and Jane Scannell from the ninth grade, Kay Sheldon and Sue Sheppard from the tenth grade, Sandy Whalen and Kathy Free from the eleventh grade, and Mieke Mass and Bev Jackson from the twelfth grade were elected by their classes.

Voting for these girls involved placing money in the boxes reserved for each candidate. At a coronation dance on the 25th of March, Mieke Mass was crowned the Campus Queen.

Bill B., Burr W., and Art C. contribute money to the girls of their choice for Campus Queen.

Art M., Alphonse W., and Dave S. present flowers to Campus Queen Mieke M. and her attendants, Bev J. and Kay S.

Campus Queen Mieke M., and Bev J. and Kay S., runners up, pose for the photographer after the coronation ceremony at John Jay.

Now, at the end of our senior year, we are looking forward to new experiences in college and careers. From time to time, though, our thoughts will fall again on our life at John Jay, and we will turn to *John Jay* 1959 as a lasting reminder of the spirit of our high school.

In the final words of this book, we, the Class of 1959, wish to express our sincere appreciation to our yearbook adviser, Miss Courreges, for her guidance and to our class advisers, Mr. Smith, Mrs. Shechner, and Mr. Henriquez, for the assistance they have given us in our senior year.

Dear Kathy,
Boy this year was really great. Too Bad you
weren't here to enjoy it. But just kidding!
We've really had fun thought especially in Social
studies class. Mr. Steiner is a real great guy. no
matter how much he tries to be. Next year
we will have to take Miriam up on her invitation.
Too bad she has to move she's such a good (not nice) ^{HA} thing this
year. Remember the night of Gloria's party and that
short walk as Johnny (and I) your house that
for bonding and I still think that, that clock in
our house was the only fast thing at the
party. your old house brings back many
the mirrors like the night

Dear Kathy,
I don't want
to go through the same
thing I did with Marie's
2 friends. If you don't know
I can say I've found
you all ready to see me in N.Y.
we'll really have a ball!
Boy! This year has really
been fun! Mr. Feener is great! We really
had fun in his class!! You'll have to write to
me this summer! I bet you came back to school
to go to the parade. Good luck on exams! We'll all
need it!

P.S. I hope you'll learn to "walk" faster,
I can't stand walking so slow.
the house next door and we were out there cheer-
leading for the cute boy next door and then Leo moved
in (darn) New's year I've been worse
but we had fun babysitting. Hey, you never gave
us any of that money. Best New Year's Eve if
there are no parties we'll have to get together
again. Hope you get a good job this summer
we'll have to get together a lot and go to
the movies. If you do go to Florida,
stay away from Vero Beach and
Johnny or I'll be jealous. Sorry
I can't analyze you problem
see ya around and
love ya Marie
